Don't Make Me Think Jan 02 2020 Five years and more than 100,000 copies after it was first published, it's hard to imagine anyone working in Web design who hasn't read Steve Krug's "instant classic" on Web usability, but people are still discovering it every day. In this second edition, Steve adds three new chapters in the same style as the original: wry and entertaining, yet loaded with insights and practical advice for novice and veteran alike. Don't be surprised if it completely changes the way you think about Web design. Three New Chapters! Usability as common courtesy -- Why people really leave Web sites Web Accessibility, CSS, and you -- Making sites usable and accessible Help! My boss wants me to _____. -- Surviving executive design whims "I thought usability was the enemy of design until I read the first edition of this book. Don't Make Me Think! showed me how to put myself in the position of the person who uses my site. After reading it over a couple of hours and putting its ideas to work for the past five years, I can say it has done more to improve my abilities as a Web designer than any other book. In this second edition, Steve Krug adds essential ammunition for those whose bosses, clients, stakeholders, and marketing managers insist on doing the wrong thing. If you design, write, program, own, or manage Web sites, you must read this book." -- Jeffrey Zeldman, author of *Designing with Web Standards*

Rubáiyát of Omar Khayy?m Feb 01 2020

Mom Me : E-Mail 2 Heaven Nov 04 2022 Dear Mom Me, Why did I write the book sequel to Mom Me: Soaring Through The Pain ? Th e answer is simple. I need people to understand the difference between the grief journey of losing your mother to more than one terminal illness vs. just losing your mother to natural causes. Some folks still believe that I should "be over my loss" by now. Fortunately, many of them still have their own mothers and can never empathize with me. Why should they? A mother is the extraordinary superwoman who inhaled the breath of life into you for (9) miraculous months. She exhaled you to the world during the slow and painful labor process. To watch my physically strong, healthy and powerful mother who gave me life, lose her own life slowly and painfully to not one, but two terminal illnesses, left a dark stain and a traumatic impression on me emotionally. It is difficult to transition smoothly to the happy moments shared together when the recent memories of their physical anguish and suffering still haunt and torment you. For many of us, these emotional demons are worst at night when you are alone with your nocturnal thoughts. This book is dedicated to her undying memory and incredible legacy. Contributions will be sent to the American Diabetes Association (ADA) and the Cancer Research Institute (CRI) in memory of Esther M. Auguste'.

Stand by Me Jul 28 2019 Drawing upon work in the fields of psychology and personal relations, Rhodes outlines a model of youth mentoring, explores the potential that exists in such relationships, and also exposes the risk of unsuccessful mentoring relationships.

Between the World and Me Jul 08 2020 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Robert E. Lee and Me Aug 01 2022 "Ty Seidule scorches us with the truth and rivets us with his fierce sense of moral urgency." --Ron Chernow In a forceful but humane narrative, former soldier and head of the West Point history department Ty Seidule's Robert E. Lee and Me challenges the myths and lies of the Confederate legacy—and explores why some of this country's oldest wounds have never healed. Ty Seidule grew up revering Robert E. Lee. From his southern childhood to his service in the U.S. Army, every part of his life reinforced the Lost Cause myth: that Lee was the greatest man who ever lived, and that the Confederates were underdogs who lost the Civil War with honor. Now, as a retired brigadier general and Professor Emeritus of History at West Point, his view has radically changed. From a soldier, a scholar, and a southerner, Ty Seidule believes that American history demands a reckoning. In a unique blend of history and reflection, Seidule deconstructs the truth about the Confederacy—that its undisputed primary goal was the subjugation and enslavement of Black Americans—and directly challenges the idea of honoring those who labored to preserve that system and committed treason in their failed attempt to achieve it. Through the arc of Seidule's own life, as well as the culture that formed him, he seeks a path to understanding why the facts of the Civil War have remained buried beneath layers of myth and even outright lies—and how they embody a cultural gulf that separates millions of Americans to this day. Part history lecture, part meditation on the Civil War and its fallout, and part memoir, Robert E. Lee and Me challenges the deeply-held legends and myths of the Confederacy—and provides a surprising interpretation of essential truths that our country still has a difficult time articulating and accepting.

Me and E Oct 03 2022 "Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Call it Moneyball meets Everything I Know I Learned in Kindergarten.

The Leader in Me Dec 01 2019 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

Me and Caleb Dec 25 2021 Me and Caleb is a lively and heartwarming story about two young brothers growing up in a small Missouri town on the edge of the Ozark Mountains. A beloved children's classic with plenty of adventure, lots of laughs, and some good, old-fashioned hijinks, Me and Caleb is a touching story of brotherly love and friendship that is not to be missed. Winner of the 1962 Charles W. Follett award for worthy contributions to children's literature, this high-quality re-issue is the perfect book to share with children. A wonderful, nostalgic journey into small-town American life in a bygone era, Me and Caleb is for anyone who likes to read a book just for fun.
