I Am a Fugitive from a Georgia Chain Gang! Sep 03 2020

I Am a Fugitive from a Georgia Chain Gang! is the amazing true story of one man's search for meaning, fall from grace, and eventual victory over injustice. In 1921, Robert E. Burns was a shell-shocked and penniless veteran who found himself at the mercy of Georgia's barbaric penal system when he fell in with a gang of petty thieves. Sentenced to six to ten years' hard labor for his part in a robbery that netted less than \$6.00, Burns was shackled to a county chain gang. After four months of backbreaking work, he made a daring escape, dodging shotgun blasts, racing through swamps, and eluding bloodhounds on his way north. For seven years Burns lived as a free man. He married and became a prosperous Chicago businessman and publisher. When he fell in love with another woman, however, his jealous wife turned him in to the police, who arrested him as a fugitive from justice. Although he was promised lenient treatment and a quick pardon, he was back on a chain gang within a month. Undaunted, Burns did the impossible and escaped a second time, this time to New Jersey. He was still a hunted man living in hiding when this book was first published in 1932. The book and its movie version, nominated for a Best Picture Oscar in 1933, shocked the world by exposing Georgia's brutal treatment of prisoners. I Am a Fugitive from a Georgia Chain Gang! is a daring and heartbreaking book, an odyssey

of misfortune, love, betrayal, adventure, and, above all, the unshakable courage and inner strength of the fugitive himself.

Robert Burns and the United States of America Aug 26 2022

This book provides a critical study of the relationship between Robert Burns and the United States of America, c.1786-1866. Though Burns is commonly referred to as Scotland's "National Poet", his works were frequently reprinted in New York and Philadelphia; his verse mimicked by an emerging canon of American poets; and his songs appropriated by both abolitionists and Confederate soldiers during the Civil War era. Adopting a transnational, Atlantic Studies perspective that shifts emphasis from Burns as national poet to transnational icon, this book charts the reception, dissemination and cultural memory of Burns and his works in the United States up to 1866.

Programming Concepts in C++ Jul 25 2022 Programming Concepts in C++ is one in a series of books that introduce the basic concepts of computer programming, using a selected programming language. Other books in the series use languages like Java and Python, but all focus on concepts and not on any particular language. The presentation of the material is the same in each language, and much of the text is identical. Code samples are specific to the selected language, and some unique language features are unavoidably included, but the presentation is largely language-independent. A unique feature of the book is that it explains how to acquire, install, and use freely available software to edit, compile, and run console programs on just about any system, including Windows and Mac. Its examples use command line compiling, so that the presentation remains focused on programming concepts and avoids becoming a training tool for a specific IDE. The three-part organization of material starts with the basics of sequential processing, then adds branching and looping logic and subprograms, and ends with arrays and objects. It turns a beginner with no programming experience into a programmer, prepared to continue their training in C++ or just about any other specific programming

language.

Robert Burns Songs for C/G Anglo Concertina Jul 01 2020

Robert Burns (1759-1796) belongs among most famous Scottish poets, who were touched by Romantic interest in their own culture. Therefore, he was interested in Scottish folk song. He collected and prepared it to be published.

When he was unsatisfied with lyrics in some of the songs, he revised it and arranged or wrote new lyrics on a former music. That is why many songs could be resurrected to life.

And even though today we do not know the authors of the original music, at least we know the author of the lyrics.

Therefore, we can play them on the Anglo Concertina (20 Button C/G) and admire the beautifully arched melodies. Ae Fond Kiss, A Highland Lad my Love was Born, A Man's A Man For A' That, Auld Lang Syne, Braw, Braw Lads,

Comin' Thro' the Rye, Craigieburn Wood, For The Sake O' Somebody, Gae Bring to Me a Pint o' Wine, Highland Mary, Lassie Wi' The Lint White Locks, Last May a Braw Wooer, My Ain Kind Dearie O, My Heart's In The Highlands, My Love is Like a Red, Red Rose, My Love She's But A Lassie Yet, My Tocher's the Jewel, O Willie Brew'd a Peck o' Maut, Scots, Wha Hae, Tam Glen, The Birks of Aberfeldy, The Braes of Killiecranchie, The Gallant Weaver, The Highland Widow's Lament, The Soldier's Return, The Winter It Is Past, There was a Lad was Born in Kyle, Whistle O'er the Lave O't, Ye Banks and Braes. The Songs of Robert Burns Mar 21 2022 In this definitive work for our generation, Donald Low brings together, for the first time, the words and tunes of all Burns' known songs, both `polite' and bawdy. The Songs of Robert Burns were, in their author's eyes, the crown of his achievement as a poet. After years of study and investigation, many hours spent listening to old airs, as he recalled the living, daily, song-life of the people of Scotland, and through the creation of some of the finest lyric poetry produced in the British Isles, Burns' success is beyond doubt.
