Mr. Miracle Jan 24 2022 NEW YORK TIMES BESTSELLER • Includes a new story by Christina Skye Beloved author Debbie Macomber celebrates the most wonderful time of the year in this heartwarming Christmas novel of romance, hope, and the comforts of home—now a Hallmark Channel original movie! Harry Mills is a guardian angel on a mission: help twenty-four-year-old Addie Folsom get her life back on track—and, if the right moment strikes, help her find love. Posing as a teacher at a local college in Tacoma, Washington, Harry is up to the task, but not even he can predict the surprises that lay in

store. After trying to make it on her own, Addie has returned home to Tacoma for the holidays, but this time she plans to stay for good, enrolling in the local community college to earn her degree. What she doesn't plan to do is run into Erich Simmons. Addie and her next-door neighbor, Erich, are like night and day. Growing up, he was popular and outgoing while she was rebellious and headstrong, and he never missed an opportunity to tease her. Now she intends to avoid him entirely, yet when they're suddenly forced to spend Christmas together, Addie braces for trouble. Perhaps it's the spirit of the season or the magic of mistletoe, but Addie and Erich soon find they have more in common than they thought—and that two people who seem so wrong for each other may actually be just right. With a little prompting from a certain angelic teacher, the two are in for a holiday miracle they'll never forget. Praise for Mr. Miracle “Macomber’s Christmas novels are always something to cherish. Mr. Miracle is a sweet and innocent story that will lift your spirits during the holidays and throughout the year. [Mr. Miracle] has enough sweetness, charm, and seasonal sentiment to make Macomber fans happy.”—The Romance Dish

Homicide Jun 16 2021 From the creator of HBO's *The Wire*, the classic book about homicide investigation that became the basis for the hit television show *The Wire*. The scene is Baltimore. Twice every three days another citizen is shot, stabbed, or bludgeoned to death. At the center of this hurricane of crime is the city's homicide unit, a small brotherhood of hard men who fight for whatever justice is possible in a deadly world. David Simon was the first reporter ever to gain unlimited access to a homicide unit, and this electrifying book tells the true story of a year on the violent streets of an American city. The narrative follows Donald Worden, a veteran investigator; Harry Edgerton, a black detective in a mostly white unit; and Tom Pellegrini, an earnest rookie who takes on the year's most difficult case, the brutal rape and murder of an eleven-year-old girl. Originally published fifteen years ago, *Homicide* became the basis for the acclaimed television show of the same name. This new edition—which includes a new introduction, an afterword, and photographs—revives this classic, riveting tale about the men who work on the dark side of the American experience.

Of Sound Mind Jul 26 2019 A slow-boil, modern noir, *Of Sound Mind* finds audiometry technician Richard Keene settling into his new, center-city apartment just as he reaches his thirtieth birthday. Formerly confined to a mental institution, Richard struggles to adapt to a world of adult freedom. He possesses abnormally acute powers of hearing and suffers from claustrophobia, yet he feels unleashed to dare fate in high places — in short, he is a bundle of neuroses. When he believes he hears a strangulation murder committed behind the closed door of a neighboring apartment in his high-rise, Richard confronts a chance for redemption that he knew would come someday. For the incident eerily parallels the defining experience of his childhood, the night he heard — through the walls of his row house — the death struggle of the little girl next door. But just how reliable are Richard's perceptions?

Gesundheit! Nov 29 2019 The inspiring and hilarious story of Patch Adams's quest to bring free health care to the world and to transform the way doctors practice medicine • Tells the story of Patch Adams's lifetime quest to transform the health care system • Released as a film from Universal Pictures, starring Robin Williams Meet Patch Adams, M.D., a social revolutionary who has devoted his career to giving away health care. Adams is the founder of the Gesundheit Institute, a home-based medical practice that has treated more than 15,000 people for free, and that is now building a full-scale hospital that will be open to anyone in the world free of charge. Ambitious? Yes. Impossible? Not for those who know and work with Patch. Whether it means putting on a red clown nose for sick children or taking a disturbed patient outside to roll down a hill with him, Adams does whatever is necessary to help heal. In his frequent lectures at medical schools and international conferences, Adams's irrepressible energy cuts through the businesslike facade of the medical industry to address the caring relationship between doctor and patient that is at the heart of true medicine. All author royalties are used to fund The Gesundheit Institute, a 40-bed free hospital in West Virginia. Adams's positive vision and plan for the future is an inspiration for those concerned with the inaccessibility of affordable, quality health care. Today's high-tech

medicine has become too costly, impersonal, and grim. In his frequent lectures to colleges, churches, community groups, medical schools, and conferences, Patch shows how healing can be a loving, creative, humorous human exchange--not a business transaction.
