[The Burning Wheel](#) Mar 05 2020 Wearing of its own turning, Distressed with its own busy restlessness, Yearning to draw the circumferent pain- The rim that is dizzy with speed- To the motionless centre, there to rest, The wheel must strain through agony On agony contracting, returning Into the core of steel. And at last the wheel has rest, is still, Shrunk to an adamant core: Fulfilling its will in fixity. But the yearning atoms, as they grind Closer and closer, more and more Fiercely together, beget A flaming fire upward leaping, Billowing out in a burning, Passionate, fierce desire to find The infinite calm of the mother's breast...

Daylight on Iron Mountain Jun 27 2019 Change is on the air. The generals of the Middle Kingdom await the decision of the emperor. The campaign to secure the border from China to Iraq has reached a strange impasse. Two blood enemies—Arabs and Jews—have united against their common cause. But with the lives of thousands at his whim, the exalted Tsao Ch'un, the Son of Heaven, cannot decide. Destroy the Middle East in one blinding flash? Or take another path? But the way is unclear. In the court of Tsao Ch'un, men of power have become smiling lackeys, whose graces conceal their fear, or their ambition. A man that can be trusted absolutely is a rare thing. And so, with his family held hostage by the empire, General Jiang Lei finds himself appointed to a special task: the orchestration of the last great war against the West. The total dominion of America. War approaches. But life in the world of levels continues. No hint of war, or want, or discontent can infiltrate the oppressive, ordered society that replaces the world Jake Reed once knew. Since the first airships rolled over the horizon, nothing has been the same. His new life means new thinking, new customs, a new way of behaving, and with his every move scrutinized, Jake can only serve the bureaucracy of new China. But he is not the only citizen who feels discontent with the anodyne new order.

[A Visit from the Goon Squad](#) Oct 12 2020 NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCLE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, rippingly funny.... Egan possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

[Brave New World](#) [Brave New World Revisited](#) Oct 04 2022 Huxley's classic is bookended by the original introduction by Margaret Atwood and his fascinating non-fiction work, written in 1958, in which he compares the modern-day world with the dystopian fantasy he envisioned in Brave New World. Nearly thirty years after the publication of Brave New World, Huxley checked the progress of his prophecies against reality in Brave New World Revisited and argued that many of his fictional fantasies had grown uncomfortably close to the truth. Sharing his views on issues such as overpopulation, propaganda, the art of selling and brainwashing, Huxley gives a vigorous, astute analysis of the nature of power and authority in modern society. Brave New World Revisited is an urgent and powerful appeal for the defence of individualism still alarmingly relevant today.

Brave new world Nov 05 2022

Brave New World Sep 03 2022 Welcome to New London. Everybody is happy here. Our perfect society achieved peace and stability through the prohibition of monogamy, privacy, money, family and history itself. Now everyone belongs. You can be happy too. All you need to do is take your Soma pills. Discover the brave new world of Aldous Huxley's classic novel, written in 1932, which prophesied a society which expects maximum pleasure and accepts complete surveillance - no matter what the cost.

Fahrenheit 451 Apr 17 2021 A totalitarian regime has ordered all books to be destroyed, but one of the book burners, Guy Montag, suddenly realizes their merit.

Shaping the Future of the Fourth Industrial Revolution Feb 13 2021 World Economic Forum Founder and Executive Chairman Klaus Schwab offers a practical companion and field guide to his previous book, *The Fourth Industrial Revolution*. Today, technology is changing everything--how we relate to one another, the way we work, how our economies and governments function, and even what it means to be human. One need not look hard to see how the incredible advances in artificial intelligence, cryptocurrencies, biotechnologies, and the internet of things are transforming society in unprecedented ways. But the Fourth Industrial Revolution is just beginning, says Schwab. And at a time of such tremendous uncertainty and such rapid change, he argues it's our actions as individuals and leaders that will determine the trajectory our future will take. We all have a responsibility - as citizens, businesses, and institutions - to work with the current of progress, not against it, to build a future that is ethical, inclusive, sustainable and prosperous. Drawing on contributions from 200 top experts in fields ranging from machine learning to geoenvironment to nanotechnology, to data ethics, Schwab equips readers with the practical tools to leverage the technologies of the future to leave the world better, safer, and more resilient than we found it.

This Brave New World Aug 22 2021 "In the next decade and a half, China and India will become two of the world's indispensable powers--whether they rise peacefully or not. During that time, Asia will surpass the combined strength of North America and Europe in economic might, population size, and military spending. Both India and China will have vetoes over many international decisions, from climate change to global trade, human rights, and business standards. From her front row view of this colossal shift, first at the State Department and now as an advisor to American business leaders, Anja Manuel escorts the reader on an intimate tour of the corridors of power in Delhi and Beijing. Her encounters with political and business leaders reveal how each country's history and politics influences their conduct today. Through vibrant stories, she reveals how each country is working to surmount enormous challenges--from the crushing poverty of Indian slum dwellers and Chinese factory workers, to outrageous corruption scandals, rotting rivers, unbreathable air, and managing their citizens' discontent. We wring our hands about China, Manuel writes, while we underestimate India, which will be the most important country outside the West to shape China's rise. Manuel shows us that a different path is possible--we can bring China and India along as partners rather than alienating one or both, and thus extend our own leadership in the world"--

Brave New World May 31 2022 Describes the background of *Brave New World*, discusses its themes, and looks at its critical reception

Brave New World Apr 29 2022 Ranked as one of the 100 best English-language novels of the 20th century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. The title's fantastic world is derived from Huxley's understanding of history and current events—including the aftermath of the Russian Revolution and World War I—and its depiction of the conflict between progress and the human spirit still resonates today.

Aldous Huxley Feb 25 2022 An in-depth analysis of Aldous Huxley, his writings, and the historical time period in which they were written.

Amusing Ourselves to Death Sep 30 2019 What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." —Jonathan Yardley, *The Washington Post Book World*

Brief Candles. Four Stories. Mar 29 2022 *Brief Candles* (1930), Aldous Huxley's fifth collection of short fiction, consists of the following four short stories: "Chawdron" "The Rest Cure" "The Claxtons" "After the Fireworks" *Brief Candles* takes its title from a line in William Shakespeare's *Macbeth*, from *Macbeth*'s famous soliloquy: "Out, out, brief candle! Life's but a walking shadow, a poor player that struts and frets his hour upon the stage and then is heard no more: it is a tale told by an idiot, full of sound and fury, signifying nothing."

The Genius And The Goddess Jul 09 2020 Aldous Huxley's unforgettable tale of a brilliant physicist, his beautiful wife, and the young man who tears their world apart. Thirty years ago, ecstasy and torment took hold of John Rivers, shocking him out of "half-baked imbecility into something more nearly resembling the human form." He had an affair with the wife of his mentor, Henry Maartens—a pathbreaking physicist, winner of the Nobel Prize, and a figure of blinding brilliance—bringing the couple to ruin. Now, on Christmas Eve while a small grandson sleeps upstairs, John Rivers is moved to set the record straight about the great man and the radiant, elemental creature he married, who viewed the renowned genius through undazzled eyes.

Heroes of the Frontier Apr 05 2020 A captivating, often hilarious novel of family, loss, wilderness, and the curse of a violent America, Dave Eggers's *Heroes of the Frontier* is a powerful examination of our contemporary life and a rousing story of adventure. Josie and her children's father have split up, she's been sued by a former patient and lost her dental practice, and she's grieving the death of a young man senselessly killed. When her ex asks to take the children to meet his new fiancée's family, Josie makes a run for it, figuring Alaska is about as far as she can get without a passport. Josie and her kids, Paul and Ana, rent a rattling old RV named the Chateau, and at first their trip feels like a vacation: They see bears and bison, they eat hot dogs cooked on a bonfire, and they spend nights parked along icy cold rivers in dark forests. But as they drive, pushed north by the ubiquitous wildfires, Josie is chased by enemies both real and imagined, past

mistakes pursuing her tiny family, even to the very edge of civilization. A tremendous new novel from the bestselling author of *The Circle*, *Heroes of the Frontier* is the darkly comic story of a mother and her two young children on a journey through an Alaskan wilderness plagued by wildfires and a uniquely American madness.

Aldous Huxley's *Brave New World* Jun 19 2021 Includes a brief biography of the author, thematic and structural analysis of the work, critical views, and an index of themes and ideas.

Conditioning in Aldous Huxley's "Brave New World" Oct 31 2019 Seminar paper from the year 2010 in the subject Literature - Basics, grade: 2,0, Catholic University Eichstätt-Ingolstadt (Sprach- und Literaturwissenschaften), language: English, abstract: Contents 1. Introduction03 2. The various forms of conditioning in *Brave New World*04 2. 1 Biological engineering04 2. 2 The use of psychological conditioning05 2. 2. 1 Behaviourism05 2. 2. 2 Sleep-teaching and hypnopaedia06 2. 3 Chemical persuasion.....08 3. The essential role of conditioning in the "utopian" world10 4. Conclusion12 Bibliography14

1. Introduction Unquestionably, Aldous Huxley's *Brave New World*, written in 1931, is one of the most fascinating dystopian novels. His description of a world state in the future, in which people are conditioned and manipulated from the cradle to the grave is meant to be a warning of the danger of dehumanization. Huxley draws a picture of a future including the misuse of political power, economic control, sciences and technology, biological engineering, mass consumption and the loss of ethical values. More precisely, Huxley's *Brave New World* could be regarded as a kind of "leisure dystopia" which is defined as an "utopia [that has] gone wretched or failed paradise-engineering projects." The fine line between utopia and dystopia becomes visible. In leisure dystopian societies like in *Brave New World*, all problems have officially been abolished and the people are living in wealth and happiness. But this state is only achieved by eliminating intellectualism, values or individual freedom. Therefore, the state rulers need means of control. One of the most powerful tools is conditioning in various forms. This study is meant to focus on the three types of conditioning prevailing in *Brave New World*. According to the order in the novel, the biological engineering in the pre-natal status will be discussed at first. Thereafter, the use of psychological conditioning with the methods of behaviourism, sleep-teaching and hypnopaedia is an essential theme. To complete it, the last type of conditioning, the chemical manipulation will be looked at. The different aspects will be combined with the motto of the World State in *Brave New World*: "Community, Identity, Stability". Furthermore the loss of individuality caused by biological and psychological conditioning is an important component within the analysis. After this closer examination...

The Hunt for Mount Everest May 07 2020 "This book would be enjoyed by those seeking knowledge of Everest beyond the climbing narratives, as well as those who appreciate the details of navigation and exploration." — Booklist The height of Mt. Everest was first measured in 1850, but the closest any westerner got to Everest during the next 71 years, until 1921, was 40 miles. The Hunt for Mt. Everest tells the story of the 71-year quest to find the world's highest mountain. It's a tale of high drama, of larger-than-life characters-George Everest, Francis Younghusband, George Mallory, Lord Curzon, Edward Whymper-and a few quiet heroes: Alexander Kellas, the 13th Dalai Lama, Charles Bell. A story that traverses the Alps, the Himalayas, Nepal and Tibet, the British Empire (especially British India and the Raj), the Anglo-Russian rivalry known as The Great Game, the disastrous First Afghan War, and the phenomenal Survey of India - it is far bigger than simply the tallest mountain in the world. Encountering spies, war, political intrigues, and hundreds of mules, camels, bullocks, yaks, and two zebrules, Craig Storti uncovers the fascinating and still largely overlooked saga of all that led up to that moment in late June of 1921 when two English climbers, George Mallory and Guy Bullock, became the first westerners-and almost certainly the first human beings-to set foot on Mt. Everest and thereby claimed the last remaining major prize in the history of exploration. With 2021 bringing the 100th anniversary of that year, most Everest chronicles have dealt with the climbing history of the mountain, with all that happened after 1921. The Hunt for Mt. Everest is the seldom-told story of all that happened before.

Brave New World Revisited Mar 17 2021 When Aldous Huxley wrote his famous novel *Brave New World*, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, *Brave New World Revisited* is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. *Brave New World Revisited* condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in *Brave New World Revisited* are still startlingly relevant, lending a chilling credibility to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

Brave New World and Brave New World Revisited Oct 24 2021 *Brave New World* is a dystopian social science fiction novel by English author Aldous Huxley, written in 1931 and published in 1932. Largely set in a futuristic World State, whose citizens are environmentally engineered into an intelligence-based social hierarchy, the novel anticipates huge scientific advancements in reproductive technology, sleep-learning, psychological manipulation and classical conditioning that are combined to make a dystopian society which is challenged by only a single individual: the story's protagonist. Huxley followed this book with a reassessment in essay form, *Brave New World Revisited* (1958), and with his final novel, *Island* (1962), the utopian counterpart. The novel is often compared to George Orwell's *Nineteen Eighty-Four* (published 1949). In 1999, the Modern Library ranked *Brave New World* at number 5 on its list of the 100 best English-language novels of the 20th century. In 2003, Robert McCrum, writing for *The Observer*, included *Brave New World* chronologically at number 53 in "the top 100 greatest novels of all time", and the novel was listed at number 87 on *The Big Read* survey by the BBC. This edition pairs *Brave New World* with *Brave New World Revisited*, Huxley's book about the original novel.

'Brave New World': Contexts and Legacies Dec 26 2021 This collection of essays provides new readings of Huxley's classic dystopian satire, *Brave New World* (1932). Leading international scholars consider from new angles the historical contexts in which the book was written and the cultural legacies in which it looms large. The volume affirms Huxley's prescient critiques of

modernity and his continuing relevance to debates about political power, art, and the vexed relationship between nature and humankind. Individual chapters explore connections between Brave New World and the nature of utopia, the 1930s American Technocracy movement, education and social control, pleasure, reproduction, futurology, inter-war periodical networks, motherhood, ethics and the Anthropocene, islands, and the moral life. The volume also includes a 'Foreword' written by David Bradshaw, one of the world's top Huxley scholars. Timely and consistently illuminating, this collection is essential reading for students, critics, and Huxley enthusiasts alike.

STARK Interpretationen Englisch - Aldous Huxley: Brave New World Jul 21 2021 Deutschsprachige Interpretationshilfe zu dem "Klassiker" moderner Anti-Utopien "Brave New World" (1932). Der Schwerpunkt liegt auf Inhaltsangabe, Erzählstruktur, Sprachstil und Thematik, ergänzt um Interpretationen von Schlüsselstellen und einen Vergleich mit George Orwells "1984".

The Brave New World Sep 10 2020 The distinguished historian "does a remarkable job" with this lively and comprehensive textbook—now in a new, expanded edition (Daniel P. Kotzin, Teaching History). The Brave New World covers the span of early American history, from 30,000 years before Europeans ever landed on North American shores to creation of the new nation. With its exploration of the places and peoples of early America, this volume brings together the most recent scholarship on the colonial and revolutionary eras, Native Americans, slavery, politics, war, and the daily lives of ordinary people. The revised, enlarged edition includes a new chapter carrying the story through the American Revolution, the War for Independence, and the creation of the Confederation. Additional material on the frontier, the Southwest and the Caribbean, the slave trade, religion, science and technology, and ecology broadens the text, and maps drawn especially for this edition will enable readers to follow the story more closely. The bibliographical essay, one of the most admired features of the first edition, has been expanded and brought up to date. Peter Charles Hoffer combines the Atlantic Rim scholarship with a Continental perspective, illuminating early America from all angles—from its first settlers to the Spanish Century, from African slavery to the Salem witchcraft cases, from prayer and drinking practices to the development of complex economies, from the colonies' fight for freedom to an infant nation's struggle for political and economic legitimacy. Wide-ranging in scope, inclusive in content, the revised edition of The Brave New World continues to provide professors, students, and historians with an engaging and accessible history of early North America.

Brave New World: A Graphic Novel Aug 02 2022 Available in graphic novel form for the first time, "one of the most prophetic dystopian works of the twentieth century" (Wall Street Journal) Aldous Huxley's classic novel of authoritarianism Brave New World, adapted and illustrated by Fred Fordham, the artist behind the graphic novel edition of To Kill A Mockingbird. Originally published in 1932, Brave New World is one of the most revered and profound works of twentieth century literature. Touching on themes of control, humanity, technology, and influence, Aldous Huxley's enduring classic is a reflection and a warning of the age in which it was written, yet remains frighteningly relevant today. With its surreal imagery and otherworldly backdrop, Brave New World adapts beautifully to the graphic novel form. Fred Fordham's singular artistic flair and attention to detail and color captures this thought-provoking novel as never before, and introduces it to a new generation, and countless modern readers, in a fresh and compelling way.

CliffsNotes on Huxley's Brave New World Jan 27 2022 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also features glossaries and visual elements that complement the classic, familiar format. The new world in CliffsNotes on Brave New World is not a good place to be. Readers have used the word "dystopia," meaning "bad place," to describe Huxley's fictional world. But your experience studying this novel won't be bad at all when you rely on this study guide for help. Meet John the Savage and enter Huxley's witty and disturbing view of the future. Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays A review section that tests your knowledge A Resource Center full of books, articles, films, and Internet sites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

The Age of Miracles Feb 02 2020 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People ? O: The Oprah Magazine ? Financial Times ? Kansas City Star ? BookPage ? Kirkus Reviews ? Publishers Weekly ? Booklist NEW YORK TIMES BESTSELLER "A stunner."—Justin Cronin "It's never the disasters you see coming that finally come to pass—it's the ones you don't expect at all," says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, The Age of Miracles tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown into disarray. In a world that seems filled with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. "Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan's Emerald City."—The Denver Post "Pure magnificence."—Nathan Englander "Provides solace with its wisdom, compassion, and elegance."—Curtis Sittenfeld "Riveting, heartbreaking, profoundly moving."—Kirkus Reviews (starred review) Look for special features inside. Join the Circle for author chats and more.

The Words in My Hands Jun 07 2020 Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

Brave New Worlds Jul 01 2022 From Huxley's *Brave New World*, to Orwell's *1984*, to Atwood's *The Handmaid's Tale*, dystopian books have always been an integral part of both science fiction and literature, and have influenced the broader culture discussion in unique and permanent ways. *Brave New Worlds* brings together the best dystopian fiction of the last 30 years, demonstrating the diversity that flourishes in this compelling subgenre. This landmark tome contains stories by Ursula K. Le Guin, Cory Doctorow, M. Rickert, Paolo Bacigalupi, Orson Scott Card, Neil Gaiman, Ray Bradbury, and many others.

Brave New World: A Graphic Novel Nov 24 2021 Available in graphic novel form for the first time, "one of the most prophetic dystopian works of the twentieth century" (Wall Street Journal) Aldous Huxley's classic novel of authoritarianism *Brave New World*, adapted and illustrated by Fred Fordham, the artist behind the graphic novel edition of *To Kill A Mockingbird*. Originally published in 1932, *Brave New World* is one of the most revered and profound works of twentieth century literature. Touching on themes of control, humanity, technology, and influence, Aldous Huxley's enduring classic is a reflection and a warning of the age in which it was written, yet remains frighteningly relevant today. With its surreal imagery and otherworldly backdrop, *Brave New World* adapts beautifully to the graphic novel form. Fred Fordham's singular artistic flair and attention to detail and color captures this thought-provoking novel as never before, and introduces it to a new generation, and countless modern readers, in a fresh and compelling way.

Aldous Huxley, 1894-1963 Jul 29 2019 Commemorative essays, tributes and reminiscences delivered December 17, 1963 at a meeting of Huxley's friends.

Brave New World Nov 12 2020 The astonishing novel *Brave New World*, originally published in 1932, presents Aldous Huxley's vision of the future -- of a world utterly transformed. Through the most efficient scientific and psychological engineering, people are genetically designed to be passive and therefore consistently useful to the ruling class. This powerful work of speculative fiction sheds a blazing critical light on the present and is considered to be Huxley's most enduring masterpiece. Following *Brave New World* is the nonfiction work *Brave New World Revisited*, first published in 1958. It is a fascinating work in which Huxley uses his tremendous knowledge of human relations to compare the modern-day world with the prophetic fantasy envisioned in *Brave New World*, including threats to humanity, such as overpopulation, propaganda, and chemical persuasion.

Those Barren Leaves May 19 2021 *Those Barren Leaves* is a satirical novel by Aldous Huxley, published in 1925. The title is derived from the poem 'The Tables Turned' by William Wordsworth which ends with the words: Enough of Science and of Art; Close up those barren leaves; Come forth, and bring with you a heart That watches and receives. Stripping the pretensions of those who claim a spot among the cultural elite, it is the story of Mrs. Aldwinkle and her entourage, who are gathered in an Italian palace to relive the glories of the Renaissance. For all their supposed sophistication, they are nothing but sad and superficial individuals in the final analysis.

Grey Eminence Dec 14 2020 A gripping biography by the author of *Brave New World* The life of Father Joseph, Cardinal Richelieu's aide, was a shocking paradox. After spending his days directing operations on the battlefield, Father Joseph would pass the night in prayer, or in composing spiritual guidance for the nuns in his care. He was an aspirant to sainthood and a practising mystic, yet his ruthless exercise of power succeeded in prolonging the unspeakable horrors of the Thirty Years' War. In his masterful biography, Huxley explores how an intensely religious man could lead such a life and how he reconciled the seemingly opposing moral systems of religion and politics.

Ready Or Not Dec 02 2019 There was a time when Christians pioneered the future—from business to church, mathematics to justice reform. Along the way, that redemptive, adaptive movement began to gild in gold the victories of the past, leaving us change averse and frozen in time. But ready or not, the invitation is for kingdom leaders to reclaim their calling to innovate. Weaving together stories with surprising twists, studies with striking conclusions, and spellbinding cultural analysis, Doug Paul unlocks the five phases of kingdom innovation. Practical, hope-filled, and endlessly readable, *Ready or Not* reveals that whenever God's people have leaned into innovation, the world has shifted on its axis.

Brave New World Aug 10 2020

Harry Potter and the Cursed Child Aug 29 2019 The official playscript of the original West End production of *Harry Potter and the Cursed Child*. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for *Harry Potter and the Cursed Child* was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of *Harry Potter and the Cursed Child*.
