Black Hole Chasers Mar 14 2021 In Black Hole

Chasers, award-winning investigative journalist Anna Crowley Redding presents the riveting true story of one of the most inspiring scientific breakthroughs of our lifetime—the Event Horizon Telescope team's reveal of the first image of a super massive black hole. In April 2019, the Event Horizon Telescope Team unveiled the first ever image of a super massive black hole. This inspiring scientific breakthrough took years of hard work, innovative thinking, and a level of global cooperation never seen before. The challenge was immense. The goal was impossible. They would need a telescope as big as the earth itself. The technology simply didn't exist. And yet, a multi-national team of scientists was able to show the world an image of something previously unseeable. Based off extensive research and hours interviews with many of the team's ground-breaking scientist, physicists, and mathematicians, *Black Hole Chasers* is a story of unique technological innovation and scientific breakthroughs, but more importantly, it's a story of human curiosity and triumph.

The Hole Apr 26 2022 'Hello, I've discovered a hole in my apartment... it moves around ... yes ... if you could come and look at it ...bring it down to you, you say ... how ... hello!'.The protagonist has discovered a hole and tries to find an explanation. He seeks expert advice. But not everything can be explained. Perhaps he will just have to accept that it's there.THE HOLE has simple, expressive drawings by pen and computer. The hole is punched right through the book, so it exists in real life.Praise:'... a stylish and surreal picture book... line drawings combined with a minimal use of colour lends the book a stylish and elegant appearance. With few

details, attention is drawn towards the simple points on each page, making the story quick to read and easy to understand for readers young and old. At the same time it raises a whole host of questions, both concrete and abstract, and invites several perusals. It is fortunate that the pages are sturdy - this is a book that will quickly become well-thumbed.' - Dagbladet About the AuthorØyvind Torseter is an artist. He has created many picture books and given individual as well as collective exhibitions. Øyvind Torseter won the Bologna Ragazzi Award 2008 with his picture book AVSTIKKERE (DETOURS), and has received several other prizes and nominations as well for his illustrations. But we suspect that THE HOLE will be his great international breakthrough. No online pdf can do justice to this fabulous story, as the physical hole going straight through the book cannot be visible on a screen. Still, you will get an idea of the philosophical implications raised in this book when looking at the illustrations.

There's a Hole in My Garden Oct 21 2021 The dead-pan narration in this debut picture book delivers a perfect child-like vision with humor and panache, depicted in luminous detail. A little boy shows what happens when he drops larger and larger objects, both in terms of size and imagination, down a mysterious hole that grows throughout the year in his garden. But what happens in December?

Holes May 28 2022 #1 NEW YORK TIMES

BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times *Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

A Hole in the Head Apr 02 2020 Essays on great figures and important issues, advances and blind alleys—from trepanation to the discovery of grandmother cells—in the history of brain sciences. Neuroscientist Charles Gross has been interested in the history of his field since his days as an undergraduate. *A Hole in the Head* is

the second collection of essays in which he illuminates the study of the brain with fascinating episodes from the past. This volume's tales range from the history of trepanation (drilling a hole in the skull) to neurosurgery as painted by Hieronymus Bosch to the discovery that bats navigate using echolocation. The emphasis is on blind alleys and errors as well as triumphs and discoveries, with ancient practices connected to recent developments and controversies. Gross first reaches back into the beginnings of neuroscience, then takes up the interaction of art and neuroscience, exploring, among other things, Rembrandt's "Anatomy Lesson" paintings, and finally, examines discoveries by scientists whose work was scorned in their own time but proven correct in later eras.

Hole in One! Nov 21 2021 The golfer lines up the shot. It's a long one, and the chances of acing it are nil. He says a prayer, swings, and - hallelujah! - he scores a hole in one. Many golfers confess to murmuring earnest prayers that they, too, may join the 42,000 people a year who catch lightning in a bottle and score a hole in one. It's an excitement that many lucky golfers say they remember with more clarity than their first kiss. That's because nothing in the grand old game is as mysterious yet mundane as the ace. Scott Hoch has had 26; fellow pro Fred Couples just two. Blind men and women have hit them, as have first-time golfers, three-year-old toddlers, and hundred-year-old widows. Richard Nixon is the only president to have scored one and he said it was a greater thrill than winning an election. Filled with fun facts and anecdotes, *Hole in One!* is a comprehensive clearinghouse of unusual stories involving the aura and accomplishment of scoring an ace. Readers will find out how duffers call upon unusual good luck charms and customs from foreign countries to ensure their swinging success. *Hole in One!* is the perfect book for all golfers who love the game, whether they're accomplished players or rank amateurs.

The Secret Hole Sep 07 2020 Twin brothers Tim and Tom Cougar find themselves in a world called Canaan...where dragons, fairies, and elves run amok...where a wizard leads a band of misfits to find a magic stone...and where a fierce battle between two countries is about to erupt.

The Mole and the Hole Sep 19 2021 A riotously funny story about how NOT to be a good neighbor.

Hole in the Middle Oct 09 2020 For every reader who grew up loving R.J. Palacio's *Wonder* comes a hilarious, heartbreaking, and magical YA debut about what it means to accept the body you're given. What if the empty space was what made you whole? Morgan Stone was born with a hole in her middle: a perfectly smooth, sealed, fist-sized chunk of nothing near her belly button. After seventeen years of hiding behind lumpy sweaters and a smart mouth, she decides to bare all. At first she feels liberated . . . until a few online photos snowball into a media frenzy. Now Morgan is desperate to return to her own strange version of normal—when only her doctors, her divorced parents, and her best friend, Caro, knew the truth. Then a new doctor appears with a boy who may be both Morgan's cure and her destiny. But what happens when you meet the person who is—literally—your perfect match? Is being whole really all it's cracked up to be?

A Hole in the Wall Dec 11 2020 Dog looks through a hole in the wall and sees another dog. But when warthog looks, he sees something very different. This Level D book is perfect for new readers. Dog can't wait to tell Warthog, Lion, and Elephant about the other dog he saw. But when the other animals look through the hole, none of them see the same thing. They argue, because each animal is sure the others are wrong. But it turns out the hole isn't a hole at all—it's a mirror! This funny adaptation of Mark Twain's *A Fable* is simple enough for the youngest readers, but clever and funny enough for everyone to enjoy--and at the end, friendship prevails.

The Hole Aug 07 2020 Winner of the Shirley Jackson Award. "A Korean take on *Misery*." —Time Magazine, "Top 10 Thrillers to Read This Summer" In this tense, gripping novel by a rising star of Korean literature, Oghi has woken from a coma after causing a devastating car accident that took his wife's life and left him paralyzed and badly disfigured. His caretaker is his mother-in-law, a widow grieving the loss of her only child. Oghi is neglected and left alone in his bed. His world shrinks to the room he lies in

and his memories of his troubled relationship with his wife, a sensitive, intelligent woman who found all of her life goals thwarted except for one: cultivating the garden in front of their house. But soon Oghi notices his mother-in-law in the abandoned garden, uprooting what his wife had worked so hard to plant and obsessively digging larger and larger holes. When asked, she answers only that she is finishing what her daughter started. A bestseller in Korea, award-winning author Hye-young Pyun's *The Hole* is a superbly crafted and deeply unnerving novel about the horrors of isolation and neglect in all of its banal and brutal forms. As Oghi desperately searches for a way to escape, he discovers the difficult truth about his wife and the toll their life together took on her. "A masterwork of suspense, and a profound meditation on grief, solitude, and secrecy. At once unsettling and richly moving, *The Hole* is vital novel, a gift from a wildly inventive writer."

—Laura van den Berg, author of *I Hold a Wolf by the Ears*

A Hole in Texas Apr 14 2021 With this rollicking novel hailed equally for its satiric bite, its lightly borne scientific savvy, and its tender compassion for foible-prone humanity, one of America's preeminent storytellers returns to fiction. Guy Carpenter is a regular guy, a family man, an obscure NASA scientist, when he is jolted out of his quiet life and summoned to the corridors of power in Washington, D.C. Through a turn of events as unlikely as it is inevitable, Guy finds himself compromised by scandal and romance, hounded by Hollywood, and agonizingly alone at the white-hot center of a firestorm ignited as three potent forces of American culture -- politics, big science, and the media -- spectacularly collide.

Through the Black Hole Sep 27 2019 The reader's decisions control the course of an adventure in which two spaceships travel to investigate a black hole. Illustrations.

The Body in the Hole Nov 09 2020 Someone dumped a body in an open grave at the cemetery, and the undertaker isn't happy about it. But he isn't happy about the police trying to solve it, either. In fact, the undertaker tries to solve it himself. The undertaker's name is Yvgeny, and Yvgeny is an unlikeable and morally ambiguous Sherlock Holmes aficionado who

lives with his mother in a mortuary in middle-Georgia. He wears Victorian era dress and speaks with a Polish accent. Don't let Yvgeny's career choice scare you away from the story—while some of Yvgeny's antics will make you cringe, there is nothing gory or violent. The story begins with Yvgeny preparing for a funeral. He gets annoyed when he discovers someone dumped a body into a grave he had dug for someone else. Always looking for a way to make an extra buck, he hauls the body back to his office to inspect. After filching a nice watch, he calls the police. Of course, Yvgeny doesn't like the police, and he eventually decides to solve the crime himself. With his love for Sherlock Holmes and inflated ego, he estimates his chances of solving the crime are far higher than those of the detectives. Yvgeny teams up with a motley assortment of not always like-minded characters in this small Georgia town, trying to stay one step ahead as the detectives close in. The local talent includes the mentally deficient one-eyed owner of the army-navy surplus store and the local doctor/deputy coroner who is a recovering hippie with a Tom Selleck fetish. In the middle of everything, Yvgeny falls for the crude and vulgar granddaughter of an old man buried in his cemetery. She is turned off by his bizarre fashion and strange interests, but Yvgeny is persistent. Will he solve the crime? Will he get the girl? Read and find out!

The Hole We're In May 04 2020 A "sharply funny and sobering . . . portrait of a family in financial free fall" from the New York Times—bestselling author of *Young Jane Young* (People). With *The Hole We're In*—a bold, timeless, yet all too timely novel about a troubled American family navigating an even more troubled America—award-winning author and screenwriter, Gabrielle Zevin, delivers a work that places her in the ranks of our shrewdest social observers and top literary talents. Meet the Pomeroyes: a church-going family living in a too-red house in a Texas college town. Roger, the patriarch, has impulsively gone back to school, only to find his future ambitions at odds with the temptations of the present. His wife, Georgia, tries to keep things afloat at home, but she's been feeding the bill drawer with unopened envelopes for months and never manages to confront its swelling

contents. In an attempt to climb out of the holes they've dug, Roger and Georgia make a series of choices that have catastrophic consequences for their three children—especially for Patsy, the youngest, who will spend most of her life fighting to overcome them. *The Hole We're In* shines a spotlight on some of the most relevant issues of today: over-reliance on credit, gender and class politics, and the war in Iraq. But it is Zevin's deft exploration of the fragile economy of family life that makes this a book for the ages. "Blazing . . . Sharp . . . The Corrections for our recessionary times . . . [Zevin] establishes herself as an astute chronicler of the way we spend now." —Publishers Weekly (starred review)

Continuing a two-year program to bring back twenty-two Maurice Sendak treasures long out of print, our second season of publication highlights one of the most successful author-illustrator pairings of all time. A pioneer of great children's literature, Ruth Krauss published more than thirty books for children during a career that spanned forty years. Krauss and Sendak collaborated on eight books, and we are delighted to reintroduce four of these gems in brand-new editions, together with a favorite Maurice Sendak picture book.

[Hole in My Life](#) Feb 10 2021 The author relates how, as a young adult, he became a drug user and smuggler, was arrested, did time in prison, and eventually got out and went to college, all the while hoping to become a writer. An ALA Notable Book. Reprint.

[The Hole](#) Jun 28 2022 Winner of the Akutagawa Prize, *The Hole* is by turns reminiscent of Lewis Carroll, David Lynch, and *My Neighbor Totoro*, but is singularly unsettling. Asa's husband is transferring jobs, and his new office is located near his family's home in the countryside. During an exceptionally hot summer, the young married couple move in, and Asa does her best to quickly adjust to their new rural lives, to their remoteness, to the constant presence of her in-laws and the incessant buzz of cicadas. While her husband is consumed with his job, Asa is left to explore her surroundings on her own: she makes trips to the supermarket, halfheartedly looks for work, and tries to find interesting ways of killing time. One day, while running an errand

for her mother-in-law, she comes across a strange creature, follows it to the embankment of a river, and ends up falling into a hole—a hole that seems to have been made specifically for her. This is the first in a series of bizarre experiences that drive Asa deeper into the mysteries of this rural landscape filled with eccentric characters and unidentifiable creatures, leading her to question her role in this world, and eventually, her sanity.

[Black Hole Survival Guide](#) Jul 06 2020 From the acclaimed author of *Black Hole Blues* and *Other Songs from Outer Space*—an authoritative and accessible guide to the most alluring and challenging phenomena of contemporary science. "[Levin will] take you on a safe black hole trip, an exciting travel story enjoyed from your chair's event horizon." —Boston Globe Through her writing, astrophysicist Janna Levin has focused on making the science she studies not just comprehensible but also, and perhaps more important, intriguing to the nonscientist. In this book, she helps us to understand and find delight in the black hole—perhaps the most opaque theoretical construct ever imagined by physicists—illustrated with original artwork by American painter and photographer Lia Halloran. Levin takes us on an evocative exploration of black holes, provoking us to imagine the visceral experience of a black hole encounter. She reveals the influence of black holes as they populate the universe, sculpt galaxies, and even infuse the whole expanse of reality that we inhabit. Lively, engaging, and utterly unique, *Black Hole Survival Guide* is not just informative—it is, as well, a wonderful read from first to last.

A Hole in the Road Feb 22 2022 When a hole appears in the road, the workers have to use lots of different big machines to help them fix it. Diggers, road rollers, dump trucks, and pavers — each vehicle has an important job to do. Follow the workers as they clear the rubble, add crushed stones, pour on the hot asphalt, make sure the surface is flat, and clean the road. Readers also search for the little brown dog (belonging to the road workers) on nearly every spread. Extra illustrations of each of the machines are shown and labeled on the endpapers.
