A Beginner's Guide to America Feb 23 2022 A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in [is also] a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (The Boston Globe). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In shattering myths and embracing painful contradictions that are unique to this place, A Beginner's Guide to America is Hakakian's candid love letter to America.

A Beginner's Guide to Japan Mar 15 2021 "Arguably the greatest living travel writer" (Outside magazine), Pico Iyer has called Japan home for more than three decades. But, as he is the first to admit, the country remains an enigma even to its long-term residents. In A Beginner's Guide to Japan, Iyer draws on his years of experience—his travels, conversations, readings, and reflections—to craft a playful and profound book of surprising, brief, incisive glimpses into Japanese culture. He recounts his adventures and observations as he travels from a meditation hall to a love hotel, from West Point to Kyoto Station, and from dinner with Meryl Streep to an ill-fated call to the Apple service center in a series of provocations guaranteed to pique the interest and curiosity of those who don't know Japan—and to remind those who do of its myriad fascinations.

Learning HTTP/2 Nov 10 2020 What can your organization gain by adopting HTTP/2? How about faster, simpler, and more robust websites and applications? This practical guide demonstrates how the latest version of the Hypertext Transfer Protocol can dramatically improve website and application performance. You'll take a deep dive into HTTP/2 details, and learn how this updated protocol is changing the web landscape. HTTP/1.1 has been the primary means of communicating data across the web for the past 20 years, but the level of interaction today has gone well beyond what people envisioned in 1997. With this book, authors Stephen Ludin and Javier Garza show you how HTTP/2 will help speed the execution of modern sites and applications. With this book, you'll explore: Performance challenges that led to the HTTP upgrade HTTP/2 in a nutshell, including benefits and transition methods Existing best practices and hacks to improve web performance HTTP/2 support for browsers, servers, proxies, and content delivery networks How the performance of sites using HTTP/2 compares to their HTTP/1.1 experience HTTP/2's effect on specific issues such as latency, packet loss, and Time to First Byte (TTFB) HTTP/2's effect on specific issues such as latency, packet loss, and Time to First Byte (TTFB)

Press Here! Reiki for Beginners Jul 31 2022 Press Here! Reiki for Beginners is a contemporary take on the ancient, Japanese Buddhist healing practice. Reiki is now accessible for a new generation of readers. Reiki is a non-invasive Japanese approach to natural health which reduces stress and promotes healing. Reiki is practiced by "laying on hands": channeling the unseen "life force energy" that flows through the body and creates life. If your life force energy is low, you are more likely to be stressed, anxious, and ill. With these sophisticated techniques, you will begin to feel the life force energy flow through you more rapidly. Reiki is a full body treatment, and thus, supports the whole person's emotions, mind, body and spirit, and create feelings of peace and well being. Press Here! Reiki for Beginners offers accessible instruction in fun, contemporary, illustrations to teach a whole new audience the benefits of a vital reiki practice.

Original. 60,000 first printing.

A Beginner's Guide to the End Mar 27 2022 "I wish I'd had this book when I needed it. Death and dying are not subjects that many people are comfortable talking about, but it's hugely important to be as prepared as you can be - emotionally, physically, practically, financially, and spiritually. This book may be the most important guide you could have." - Elizabeth Gilbert, author of Eat Pray Love \_\_\_\_\_ The end of a life can often feel like a traumatic, chaotic and inhuman experience. In this reassuring and inspiring book, palliative care physician Dr BJ Miller and writer Shoshana Berger provide a vision for rethinking and navigating this universal process. There are plenty of self-help books for mourners, but nothing in the way of a modern, approachable and above all useful field guide for the living. And all of us - young, old, sick and well - could use the help. After all, pregnant couples have ample resources available to them as they prepare to bring a new life into the world; Lamaze courses, elaborate birth plans, tons of manuals. Why don't we have a What to Expect When You're Expecting to Die book? An accessible, beautifully designed and illustrated companion. A Beginner's Guide to the End offers a clear-eyed and compassionate survey of the most pressing issues that come up when one is dying, and will bring optimism and practical guidance to empower readers with the knowledge, resources and tools they'll need to die better, maybe even with triumph.

[How to Play Ukulele](#) Oct 02 2022 Learn to play the ukulele with this beginner's guide that features information about basic techniques, tools, and music knowledge. **Beginners Guide to Darkness** Sep 20 2021

**Old Age** Jun 05 2020 Vanity Fair columnist Michael Kinsley escorts his fellow Boomers through the door marked "Exit." The notorious baby boomers—the largest age cohort in history—are approaching the end and starting to plan their final moves in the game of life. Now they are asking: What was that all about? Was it about acquiring things or changing the world? Was it about keeping all your marbles? Or is the only thing that counts after you're gone the reputation you leave behind? In this series of essays, Michael Kinsley uses his own battle with Parkinson's disease to unearth answers to questions we are all at some time forced to confront. "Sometimes," he writes, "I feel like a scout from my generation, sent out ahead to experience in my fifties what even the healthiest Boomers are going to experience in their sixties, seventies, or eighties." This surprisingly cheerful book is at once a fresh assessment of a generation and a frequently funny account of one man's journey toward the finish line. "The least misfortune can do to make up for itself is to be interesting," he writes. "Parkinson's disease has fulfilled that obligation."

**How to Play Keyboard** Dec 24 2021 The perfect introduction to the electronic keyboard, and ideal for the absolute beginner getting started with their first instrument. With absolutely no musical knowledge required, this simple yet comprehensive guide is perfect for adults and children alike.

Plant wisdom--Find key insights to set you up for success as you begin your houseplant adventure, from propagation techniques to safety suggestions. Troubleshooting tips--Get straightforward advice for solving seemingly difficult houseplant problems. Fill your home with flourishing houseplants with help from this essential guide for beginners.

**Basics of Drawing** Apr 03 2020 In his second book for beginning artists, YouTube superstar Leonardo Perezniето goes back to the very beginning to teach them the basics of drawing. He covers first exercises, fundamental techniques, light and shading, composition, and perspective, and more. Loaded with information on materials and illustrations, this illuminating guide includes such projects as a fall still life of fruit in a basket, with instructions on shape, shadow, and detail, as well as a cityscape, a landscape with depth of field, animals, train tracks, and jewelry.

**Learn to Play Guitar** Jan 13 2021 Learn to Play Guitar is comprehensive with over 180 photographs, illustrations and diagrams and includes 42 downloadable mp3 tracks of full band demo and backing. Learn to Play Guitar bridges the gaps explaining guitar techniques that can be taken for granted by more experienced players. Melodies - To get straight into playing music, numbers have been added underneath guitar tablature to assist with rhythm. Later, the rhythmic aspect of notation is covered so you can use it in conjunction with tablature. Rhythm Guitar - Changing between chords and strumming are separated initially, to develop coordination in each hand independently. They are then brought together starting basic until there's a rhythm guitar piece to play. Music theory - The major scale, minor scale, major and minor pentatonic scales and major and minor chord construction are explained in terms of the fret-board and reinforced with musical pieces in various styles to make the learning process practical and enjoyable. What else? - Fret-board layout, power chords, barre chords, how to string a guitar, how to practise guitar, palm muting and basic lead guitar techniques. Please Note: The eBook includes musical pieces so is not suitable for smaller screens.

**C++: A Beginner's Guide, Second Edition** Nov 30 2019 Essential skills made easy!
