We provide Peril In Paris Taylor And Rose Secret Agents and numerous book collections from fictions to scientific research in any way. accompanied by them is this Peril In Paris Taylor And Rose Secret Agents that can be your partner.

**You and Your Mid-Adolescent** Jan 14 2021 This is a book which seeks help those going through the process of mid-adolescence - either from the point of view of the adolescent or their families - it attends to the serious strains that may have to be borne if the picture portrayed is to have any realism. 'Youth culture' may idealize the adolescent and vilify parents; but, as we shall see, the paradoxical expectations placed on both adolescents and their parents arise from the creative tension between the desire to progress and the desire to regress as mid-adolescents consolidate the move out of childhood and prepare for adulthood. No easy task for the mid-adolescent and those responsible for them.

*Myth and the Greatest Generation* Jul 08 2020 Myth and the Greatest Generation calls into question the glowing paradigm of the World War II generation set up by such books as *The Greatest Generation* by Tom Brokaw. Including analysis of news reports, memoirs, novels, films and other cultural artefacts Ken Rose shows the war was much more disruptive to the lives of Americans in the military and on the home front during World War II than is generally acknowledged. Issues of racial, labor unrest, juvenile delinquency, and marital infidelity were rampant, and the black market flourished. This book delves into both personal and national issues, calling into questions the dominant view of World War II as 'The Good War'.

**The Singer and the Scientist** Aug 28 2019 It's 1937, and Marian Anderson is one of the most famous singers in America. But after she gives a performance for an all-white audience, she learns that the nearby hotel is closed to African Americans. She doesn't know where she'll stay for the night. Until the famous scientist Albert Einstein invites her to stay at his house. Marian, who endures constant discrimination as a Black performer, learns that Albert faced prejudice as a Jew in Germany. She discovers their shared passion for music—and their shared hopes for a more just world.

*A Light in the Dark (Taylor's Bend, #3)* Mar 28 2022 Can a dream hold the answer to a violent crime ... and bring two people together? Since the deaths of her father and stepmother nine months before, Mia Petros has suffered a terrifying recurring dream which implies that their deaths were not a murder-suicide at the hands of her father--as the police decided--but a double murder. In Taylor's Bend to clear and sell her father's house, Mia, driven to breaking point by the dream and unnerved by the simmering resentment her appearance has aroused, is determined not to leave the bleak midwinter town until she has answers. Local newspaper editor Arlo McGuinness, an ex-investigative journalist avoiding his own troubled past, is intrigued by the mystery and by Mia, especially when she tells him about her dream. His old, familiar urge to find the truth is awakened. But his probing engenders trouble--nasty comments are followed by malicious acts, and before long Arlo and Mia face escalating violence, their lives in danger.

**The Mystery of the Painted Dragon** Jan 02 2020 When a priceless painting is stolen, our dauntless heroines Sophie and Lil find themselves faced with forgery, trickery and deceit on all sides! Be amazed as the brave duo pit their wits against this perilous puzzle! Marvel at their cunning plan to unmask the villain and prove themselves detectives to be reckoned with - no matter what dangers lie ahead . . . It's their most perilous adventure yet!

*Gender in Film and Video* Jul 20 2021 Gender in Film and Video tracks changes in gender on screen by documenting trends of the internet age. The jargon-free book focuses on six instances of media in transition and their histories, including the rise of feminism on television, in sports events, and in comedy-drama series; the growth of DIY production by underrepresented groups through crowdfunding and YouTube channels; and struggles between fans and producers over control of casting and storytelling. This volume focuses on the breakdown of the categories (content, production, reception) that top-down production/distribution in TV and cinema tended to keep distinct. This text is for students in sociology, media studies, and women's and gender studies.

**Management Research** Aug 21 2021 For many post-graduate students undertaking a research project for the first time is a daunting prospect. Gaining the knowledge and skills needed to do research typically has to be done alongside carrying out the project itself. Students often have to conduct their research independently, perhaps with limited tutor contact. What is needed in such situations is a resource that supports the new researcher on every step of the research journey, from defining the project to communicating its findings. *Management Research: Applying the Principles* provides just such a resource. Structured around the key stages of a research project, it is designed to provide answers to the questions faced by new researchers but without neglecting the underlying principles of good research. Each chapter includes 'next steps' activities to help readers apply the content to their own live research project. The companion website provides extensive resources, including video tutorials, to support the development of practical research skills. The text reflects the richness and variety of current business and management research both in its presentation of methods and techniques and its choice of examples drawn from different subject disciplines, industries and organizations. *Management Research: Applying the Principles* combines diversity of coverage with a singularity of purpose: to help students complete their research project to a rigorous standard.

**Sources of the Self** Dec 13 2020 In this extensive inquiry into the sources of modern selfhood, Charles Taylor demonstrates just how rich and precious those resources are. The modern turn to subjectivity, with its attendant rejection of an objective order of reason, has led—it seems to many—to mere subjectivism at the mildest and to sheer nihilism at the worst. Many critics believe that the modern order has no moral backbone and has proved corrosive to all that might foster human good. Taylor rejects this view. He argues that, properly understood, our modern notion of the self provides a framework that more than compensates for the abandonment of substantive notions of rationality. The major insight of *Sources of the Self* is that modern subjectivity, in all its epistemological, aesthetic, and political ramifications, has its roots in ideas of human good. After first arguing that contemporary philosophers have ignored how self and good connect, the author defines the modern identity by describing its genesis. His effort to uncover and map our moral sources leads to novel interpretations of most of the figures and movements in the modern tradition. Taylor shows that the modern turn inward is not disastrous but is in fact the result of our long efforts to define and reach the good. At the heart of this definition he finds what he calls the affirmation of ordinary life, a value which has decisively if not completely replaced an older conception of reason as connected to a hierarchy based on birth and wealth. In telling the story of a revolution whose proponents have been Augustine, Montaigne, Luther, and a host of others, Taylor's goal is in part to make sure we do not lose sight of their goal and endanger all that has been achieved. *Sources of the Self* provides a decisive defense of the modern order and a sharp rebuff to its critics.

*Queen of the Gods* Mar 04 2020 When life gives you lemons, you're supposed to make lemonade? right? Arissa Steel always took everything life threw at her. Being abandoned by her mother. Having the same weird dream every night. The love of her life being just a "friend". Until one day, life threw her what she thought was a fantasy. The Greek Gods and Goddesses are real, and they are hanging around. She has a big part to play in their future. Who would have

thought?Hale Hanson has always been the star, outshining everyone around him. Never knowing who your real friends are is awful. Leave it to Arissa to break the mold, to tell him how it really is. She has never cared about his status or how he can help her move up the social ladder. All she cares about is him. They formed a bond so special, it was unbreakable. Or, so he hoped. Hale finds himself thrown into a life he never imagined possible. Will Ari still stick by his side? Or will she leave him alone to deal with her own problems? What happens when life throws you something that is so out of this world that you can't tell fact from fantasy? Does love really conquer all? Or does everything crumble around them when the unthinkable happens? Welcome to Hanson Hell! Once they suck you in, they don't let you go. Become a God or Goddess in your own right, and embrace your destiny!

**Not All Diamonds and Rosé** May 06 2020 THE INSTANT #1 NEW YORK TIMES BESTSELLER! "I like to think of Not All Diamonds and Rosé as the ultimate reunion. I know readers will be surprised, entertained, and even shocked at what's in store." - Andy Cohen Dave Quinn's Not All Diamonds and Rosé is the definitive oral history of the hit television franchise, from its unlikely start in the gated communities of Orange County to the pop culture behemoth it has become—spanning nine cities, hundreds of cast members, and millions of fans. What is it really like to be a housewife? We all want to know, but only the women we love to watch and the people who make the show have the whole story. Well, listen in close, because they're about to tell all. Nearly all the wives, producers, and network executives, as well as Andy Cohen himself, are on the record, unfiltered and unvarnished about what it really takes to have a tagline. This is your VIP pass to the lives behind the glam squads, testimonials, and tabloid feuds. Life's not all diamonds and rosé, but the truth is so much better, isn't it? Includes Color Photographs

**Nightfall in New York (Taylor and Rose Secret Agents)** Jun 30 2022 The fourth and final adventure in the brilliant Taylor & Rose series by bestselling author, Katherine Woodfine. For fans of The Sinclair Mysteries and Murder Most Unladylike series Top secret agents, Sophie Taylor and Lil Rose have set sail to New York City on an elegant ocean liner, ready to face their enemies and settle old scores. These two brave friends will need all of their detective skills, courage and derring-do as they race against time to rescue a beloved friend ...

**Forensic Speaker Identification** Oct 23 2021 A voice is much more than just a string of words. Voices, unlike fingerprints, are inherently complex. They signal a great deal of information in addition to the intended message: the speakers' sex, for example, or their emotional state, or age. Although evidence from DNA analysis grabs the headlines, DNA can't talk. It can't be recorded planning,

**Nightfall in New York** Oct 03 2022 The fourth and final adventure in the brilliant Taylor & Rose series by bestselling author, Katherine Woodfine. For fans of The Sinclair Mysteries and Murder Most Unladylike series

**They Went to Portugal Too** Aug 09 2020 Papers from original manuscript for 'They Went to Portugal', omitted when the projected two volume work was published as one volume in 1946, at a time of severe post-war paper rationing, here printed for the first time. Introduction by Susan Lowndes. Edited by L. C. Taylor. Carcanet in association with The Calouste Gulbenkian Foundation.

**Desert Rose** Apr 28 2022 Meeting when they are put in an Arab prison, Marine officer David Winslow and relief worker Emma Hamilton lean on each other for strength, courage, and hope of freedom

**The Snow Rose** Nov 23 2021 'This is a fantastic, all-consuming read.' - Heat The Snow Rose is the gripping story of a woman on the run from her past by Lulu Taylor, author of The Winter Folly. I know they think I shouldn't keep her . . . That's why I've escaped them while I can, while I still have the opportunity . . . Kate is on the run with her daughter Heather, her identity hidden and their destination unknown to the family they've left behind. She's found a place where they can live in solitude, a grand old house full of empty rooms and dark secrets. But they're not alone, for there are the strange old ladies in the cottage next door: Matty and her sister Sissy. They know what happened here long ago, and are curious about Kate. How long can she hide Heather's presence from them? When an eccentric band of newcomers arrive, led by the charismatic Archer, Kate realizes that the past she's so desperate to escape is about to catch up with her. And inside the house, history is beginning to repeat itself . . .

**Etta Rose** Dec 25 2021 Come and meet Etta Rose! Step inside the colourful, whimsical world of Etta Rose. Fall in love with her confident style, while you learn about the very special message that she has just for you! A beautifully illustrated picture book that appeals to young and old alike.

**The Book of Fools** Oct 30 2019 At once poem, essay, memoir fragment, and art object, The Book of Fools is a sweeping elegy for our earth-and our plastic-choked ocean. Faced with the question of how to express the enormous ecological loss of our time, poet Sam Taylor marries this collective loss to a personal story of loss involving childhood, memory, and a mother's early death to cancer, a story which culminates in a scene the speaker is compelled to revisit, relive, and revise. Along the way, the poet's experiments in a poetics of "self-erasure" create a polyphonic reading experience, enrich the book's journey into the underworld, and deepen its investigation into nonfiction, myth, and aesthetics. Weaving together a diversity of themes, styles and lyric innovation, The Book of Fools challenges and refreshes our notions of what a poem can look like and what it can accomplish.

**Charles Taylor and Liberia** Jul 28 2019 Campaigner, insurgent, fugitive, rebel commander, commodity kingpin, elected president, exile and finally prisoner, Charles Taylor sought to lead his country to change but instead ignited a conflict which destroyed Liberia in over a decade of violence, greed and personal ambition. Taylor's takeover threw much of the neighbouring region into turmoil, until he was finally brought to face justice in The Hague for his role in Sierra Leone's civil war. In this remarkable and eye-opening book, Colin Waugh draws on a variety of sources, testimonies and original interviews - including with Taylor himself - to recount the story of what really happened during these turbulent years. In doing so, he examines both the life of Charles Taylor, as well as the often self-interested efforts of the international community to first save Liberia from disaster, then, having failed to do so, to bring to justice the man it deems most to blame for its disintegration.

**Born Savage** Feb 24 2022 I'm finally settling into my new life in Chicago, but now the man who hates me most in this city knows my new secret. It seems like they just keep stacking up. I can't tell anyone about who, or rather, what my mother was, or the entire supernatural world will have questions I don't have answers to. So, for now, I just have to trust that Roman will keep his mouth shut. It's time to move on. I can't be with Mason, but it's time for my apprenticeship with Dr. Sebastian Vincent to begin, and he's not simply the smooth flirt I thought. For the first time in my life, I've met someone who knows pain and trauma in the same way I do, and it's hard not to look at him with a fresh perspective. No one has ever really understood me, but sometimes it feels like we are two sides of the same coin. This is Chicago though, and nothing can stay "normal" for too long. A woman who was declared dead a year ago just wandered back into the hospital and whispers a word that sends chills through every member of the Night Council: necromancer. If that's true, if that's how this really happened, why did he come to Chicago, and who is he really looking to bring back from the dead? There are a lot of dangerous people buried in this city. Now that I've found people I care to protect, I'm about to learn just how savage I can become to keep them safe.

**Zachary Taylor** Sep 29 2019 The rough-hewn general who rose to the nation's highest office, and whose presidency witnessed the first political skirmishes that would lead to the Civil War Zachary Taylor was a soldier's soldier, a man who lived up to his nickname, "Old Rough and Ready." Having risen through the ranks of the U.S. Army, he achieved his greatest success in the Mexican War, propelling him to the nation's highest office in the election of 1848. He was the first man to have been elected president without having held a lower political office. John S. D. Eisenhower, the son of another soldier-president, shows how Taylor rose to the presidency, where he confronted the most contentious political issue of his age: slavery. The political storm reached a crescendo in 1849, when California, newly populated after the Gold Rush, applied for statehood with an anti-slavery constitution, an event that upset the delicate balance of slave and free states and pushed both sides to the brink. As the acrimonious debate intensified, Taylor stood his ground in favor of California's admission—despite being a slaveholder himself—but in July 1850 he unexpectedly took ill, and within a week he was dead. His truncated presidency had exposed the fateful rift that would soon tear the country apart.

**Peril in Paris** Nov 04 2022 All aboard the train to Paris! It's 1911, and the young detectives of TAYLOR & ROSE are turning their talents to ESPIONAGE. On a case for the mysterious SECRET SERVICE BUREAU, the daring MISS SOPHIE TAYLOR and MISS LILIAN ROSE must leave London for the boulevards and grand hotels of Paris. But DANGER lurks beneath the bright lights of the city--and INTRIGUE and MURDER lie in store. As airplanes soar in the skies overhead, our heroines will need to put all their spy skills to the test to face the PERIL that awaits them.

**The Bane** Jun 26 2019 Before the Evolution there was TorBane: technology that infused human DNA with cybernetic matter. It had the ability to grow new organs and limbs, to heal the world. Until it evolved out of control and spread like the common cold. The machine took over, the soul vanished, and the Bane were born. The Bane won't stop until every last person has been infected. With less than two percent of the human population left, mankind is on the brink of extinction. Eve knows the stories of the Evolution, the time before she wandered into the colony of Eden, unable to recall anything but her name. But she doesn't need memories to know this world is her reality. This is a world that is quickly losing its humanity, one Bane at a time. Fighting to keep one of the last remaining human colonies alive, Eve finds herself torn between her dedication to the colony, and the discovery of love. There is Avian and West – one a

soldier, one a keeper of secrets. And in the end, Eve will make a choice that will change the future of mankind. The Bane is The Terminator meets The Walking Dead with a heart-twisting romance. Previously published as Eden, due to reader demand it has been revamped and rereleased as The Bane: book one in The Eden Trilogy. The Bane: Book One The Human: Book Two The Eve: Book Three The Ashes: an Eden prequel The Raid: an Eden short story *The Mystery of the Midnight Peacock* Aug 01 2022 The festive season has come to Sinclair's and Sophie and Lil are spending the holidays at snowy Winter Hall. As sinister secrets come to light, our intrepid heroines find themselves faced with a more baffling mystery than ever before.

**National Comics: Rose & Thorn (2012-) #1** Sep 21 2021 The classic DC character Rose and Thorn is taken in a compelling new direction! Can a teenage girl with a dark secret, readjusting to life after being institutionalized, learn how to live again?

**The Monster of the Deep** Nov 11 2020 After a long search, the Oliver family finds the sunken treasure ship they seek. But when they try to retrieve the fortune, a giant squid attacks! Can Samuel subdue the squid so his father and uncle can get the riches? And squid don't need gold! What is the monster really guarding? Aligned to Common Core standards and correlated to state standards. Spellbound is an imprint of Magic Wagon, a division of ABDO.

**Debating the Roman de la Rose** Apr 04 2020 Around the year 1400, the poet Christine de Pizan initiated a public debate in France over the literary "truth" and merit of the Roman of the Rose, perhaps the most renowned work of the French Middle Ages. She argued against what she considered to be misrepresentations of female virtue and vice in the Rose. Her bold objections aroused the support and opposition of some of the period's most famous intellectuals, notable Jean Gerson, whose sermons on the subject are important literary documents. "The Quarrel of the Rose" is the name given by modern scholars to the collection of these and other documents, including both poetry and letters, that offer a vivid account of this important controversy. As the first dual-language version of the "Quarrel" documents, this volume will be of great interest to medievalists and an ideal addition to the Routledge Medieval Texts series. Along with translations of the actual debate epistles, the volume includes several relevant passages from the Romance of the Rose, as well as a chronology of events and ample biography of source materials.

**Where the Mountain Meets the Moon** Sep 09 2020 This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver* In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

**Quarter to Midnight** Feb 01 2020 Discover New York Times and USA Today bestselling author Karen Rose's brand-new series set in the sultry city of New Orleans and featuring a tough team of high-end private investigators who are after justice—no matter what they have to do to get it. Good cops. Bad cops. Only one will win. After completing her tours with the Marines in Iraq, Molly Sutton knew she could take down any bad guy she met. But when a family tragedy exposes the dark side of her local police, she joined up with her former CO Burke Broussard, who left New Orleans PD to set up a private investigative service for people who couldn't find justice elsewhere. Gabe Hebert saw the toll that working for the NOPD took on his dad and decided instead to make a name for himself as one of the best young chefs in the French Quarter. But when his father's death is ruled a suicide after a deliberately botched investigation by his former captain, Gabe knows his dad stumbled onto a truth that someone wants silenced. Gabe goes to his father's best friend, Burke, for help. Burke assigns the toughest member of his team, Molly, to the case. Molly can't believe she's being asked to work with the smoking hot chef whose chocolate cake is not the only thing that makes her mouth water. Sparks fly as they follow the leads Gabe's dad left them, unraveling a web of crimes, corruption, and murder that runs all the way to the top.

**New Yorkers: A City and its People in Our Time** Jun 06 2020 Winner of the 2021 Brooklyn Public Library Literary Prize A symphony of contemporary New York through the magnificent words of its people—from the best-selling author of *Londoners*. In the first twenty years of the twenty-first century, New York City has been convulsed by terrorist attack, blackout, hurricane, recession, social injustice, and pandemic. New Yorkers weaves the voices of some of the city's best talkers into an indelible portrait of New York in our time—and a powerful hymn to the vitality and resilience of its people. Best-selling author Craig Taylor has been hailed as "a peerless journalist and a beautiful craftsman" (David Rakoff), acclaimed for the way he "fuses the mundane truth of conversation with the higher truth of art" (Michel Faber). In the wake of his celebrated book *Londoners*, Taylor moved to New York and spent years meeting regularly with hundreds of New Yorkers as diverse as the city itself. *New Yorkers* features 75 of the most remarkable of them, their fascinating true tales arranged in thematic sections that follow Taylor's growing engagement with the city. Here are the uncelebrated people who propel New York each day—bodega cashier, hospital nurse, elevator repairman, emergency dispatcher. Here are those who wire the lights at the top of the Empire State Building, clean the windows of Rockefeller Center, and keep the subway running. Here are people whose experiences reflect the city's fractured realities: the mother of a Latino teenager jailed at Rikers, a BLM activist in the wake of police shootings. And here are those who capture the ineffable feeling of New York, such as a balloon handler in the Macy's Thanksgiving Day Parade or a security guard at the Statue of Liberty. Vibrant and bursting with life, *New Yorkers* explores the nonstop hustle to make it; the pressures on new immigrants, people of color, and the poor; the constant battle between loving the city and wanting to leave it; and the question of who gets to be considered a "New Yorker." It captures the strength of an irrepressible city that—no matter what it goes through—dares call itself the greatest in the world.

**Born Reckless** Apr 16 2021 "You can't turn someone into a vampire, at least not the kind we are. You have to be born this way." I thought I was being noble when I put myself between my best friend and the switchblade of a mugger. Turns out Elena could have split the guy in half with her bare hands, and she did while I bled out on the sidewalk. It should have been game over, but I woke up with newfound strength and a terrifying craving for that sweet, sweet smelling liquid pumping through your veins. Too bad my first taste ended a woman's life and gained me an enemy who swears to make me pay. Enter Mason Godfrey, Elena's brother. He's given me an ultimatum. Go back to my life, back to my medical residency, and most likely be hunted down—or come away with them to Chicago and start over. The golden, still-human prince of the city is impossible to resist. Despite the herd of eligible and eager bachelorettes who would rather see me dead than on his arm, his eyes keep lingering on me. Neither of us has forgotten that one magical night we had, right before my first life ended. Where does this lead, now that I'm a vampire and he isn't? They say Chicago is a safe haven for our kind, but it is nothing like I expected. This new life is filled with luxury and money. There are galas and vampire night clubs, enchanted tattoos, and a council of powerful immortals. But I must never forget. Despite this glamorous second chance at life, I'm still being hunted. And time is ticking until I make a reckless move. Because it's what I do.

**Fences (Movie tie-in)** Feb 12 2021 From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

**Be More Taylor Swift** Oct 11 2020 What would Taylor do? Songwriting genius, poised performer, warm-hearted friend—we'd all love to be a bit more like Taylor Swift. This brilliant guide will show you how. Whether it is standing up for yourself and your friends, opening your heart to love, or refusing to let others write your reputation, these life lessons will help you shake off your troubles and become folklore for Swifties everywhere. Containing advice on love, friendship, overcoming fears, being yourself, and finding creative inspiration, *Be More Taylor Swift* is the perfect gift for Taylor Swift fans.

**Old-fashioned and David Austin Roses** Jan 26 2022 A gardener-friendly guide to growing roses. Old-fashioned roses are cherished by gardeners for their timeless beauty, strong fragrance and fascinating history. Growing these roses -- along with their hybrids -- offers gardeners an opportunity to bring history to life. It is enormously gratifying to know that the roses blooming in one's garden were first cultivated by the Empress Josephine or were originally used to cover Cleopatra's bed. *Old-fashioned and David Austin Roses* communicates the pure romance of old-fashioned roses while demystifying the process of growing them. Contents include: History Once-flowering old roses Repeat-flowering old roses David Austin roses Cultivation Landscaping with old roses Diversions: making rose oil, syrup and more Each section of the book is organized by species and near hybrids. A concise history introduces the cultivars along with a

short description that includes date of origin, growing requirements and interesting historical facts. Straightforward advice for planning and growing includes practical tips for feeding, watering, mulching, deadheading, cutting, pruning and minimizing the effects of pests, diseases and cold weather. There are landscaping instructions for borders and beds, containers, groundcover, rose shrubs, hedges, the woodland garden and climbers. Finally, a rose cookbook includes recipes for creating such ancient concoctions as rose oil/perfume, rose and rhubarb syrup and rose brandy. Old-fashioned and David Austin Roses is an accessible and essential reference for novice and experienced gardeners.

**Stanislavski: The Basics** May 18 2021 Stanislavski: The Basics is an engaging introduction to the life, thought and impact of Konstantin Stanislavski.

Regarded by many as a great innovator of twentieth century theatre, this book examines Stanislavski's: life and the context of his writings major works in English translation ideas in practical contexts impact on modern theatre With further reading throughout, a glossary of terms and a comprehensive chronology, this text makes the ideas and theories of Stanislavski available to an undergraduate audience.

**Villains in Venice (Taylor and Rose Secret Agents 3)** Sep 02 2022 Get set for another incredible adventure with secret agents extraordinaire, Miss Sophie Taylor and Miss Lillian Rose! After the dramatic events of their mission to St Petersburg, Sophie and Lil know the truth - there's a double-agent at work at the Secret Service Bureau. Whilst Lil pursues a dangerous line of enquiry in London, Sophie must set out on a new mission to Venice, following a twisted trail to discover long-buried secrets. But there are villains lurking amongst the city's piazzas, canals and crumbling palaces, and in the shadows an old enemy lies in wait...

**Half Sick of Shadows** Dec 01 2019 "Laura Sebastian is the next Madeline Miller. . . a fierce, fresh, lyrical tale that will enthrall until the last page."--Kate Quinn, New York Times bestselling author of *The Huntress* A Popsugar Best Summer Read of 2021 A Bibliolifestyle Most Anticipated Summer 2021 Sci-fi and Fantasy Book "Magical, haunting, unique--I haven't been so excited about an Arthur book since I read *The Once and Future King* ."--Tamora Pierce, #1 New York Times bestselling author *The Lady of Shalott* reclaims her story in this bold feminist reimagining of the Arthurian myth from the New York Times bestselling author of *Ash Princess*. Everyone knows the legend. Of Arthur, destined to be a king. Of the beautiful Guinevere, who will betray him with his most loyal knight, Lancelot. Of the bitter sorceress, Morgana, who will turn against them all. But Elaine alone carries the burden of knowing what is to come--for Elaine of Shalott is cursed to see the future. On the mystical isle of Avalon, Elaine runs free and learns of the ancient prophecies surrounding her and her friends--countless possibilities, almost all of them tragic. When their future comes to claim them, Elaine, Guinevere, Lancelot, and Morgana accompany Arthur to take his throne in stifling Camelot, where magic is outlawed, the rules of society chain them, and enemies are everywhere. Yet the most dangerous threats may come from within their own circle. As visions are fulfilled and an inevitable fate closes in, Elaine must decide how far she will go to change destiny--and what she is willing to sacrifice along the way.

**The Man Who Lived Twice** Jun 18 2021 Set in nineteenth century America, *The Man Who Lived Twice* is a panoramic novel following Colonel George St Leger Grenfell, a courageous but deeply flawed Cornish cavalry officer who fought for the Confederacy in the Civil War. A hero to General Robert E Lee and a legend to the gullible hillbillies under his command, 'Ole St Lege' charged with the Light Brigade in the Crimea, hacked his way through the Opium War and defended the bullet-strewn barricades in the Indian Mutiny. Yet the mercenary that performed these feats of derring-do was a wanted criminal, a fraudster who bankrupted his father, risking his skin for what he considered to be a doomed cause in an unjust war. In his search for adventure, Grenfell travels the length and breadth of the continent, soaring precariously above enemy lines in a balloon and riding the rails to the Old West, meeting the characters who made, marred and mythologized American history: the business tycoons and social reformers as well as the back-shooting gunfighters and Lincoln conspirators. Along the way, he loses the woman he loves and is sentenced to death for a crime he didn't commit. Brutalised by sadistic prison guards, he escapes to lead a far more successful life under an assumed name. Officially declared dead in 1869, Grenfell somehow survives to see in the twentieth century... *The Man Who Lived Twice* is the story of a personal search for redemption set against the emergence of the United States as a world power.

**The Deep** Mar 16 2021 Journey into *The Deep* with the daring aquanaut family, The Nektons, aboard their state-of-the-art (and oh, so shiny) submarine, *The Aronnax*. When an earthquake off the coast of Greenland leads to strange reports of monster sightings, William and Kaiko Nekton, along with their kids, Fontaine and Ant (and of course, Ant's pet fish, Jeffrey), dive into the mystery! Will they find what they're looking for? Will they teach a fish to fetch? Will they be accidentally eaten? Find out in the all-ages adventure from #1 New York Times bestselling author, Tom Taylor (*Injustice: Gods Among Us*, *All-New Wolverine*, *Star Wars: Adventures*) and James Brouwer (*Justice League Beyond*).

**Rose Royal** May 30 2022 From the Goncourt Prize-winning author of *And Their Children After Them*, a devilishly smart noir novella that finds uncomfortable truths in the everyday about romance, violence, and women's desire and desirability. Nearing fifty, with a divorce and a string of other failed relationships behind her, Rose has given up on the idea of love, if not sex—though that always comes with risks. Determined not to let another man hurt her, she even ordered a .38 caliber handgun after an argument with her latest boyfriend almost turned violent. Now she carries it everywhere, just in case. As if on autopilot, Rose spends her days at work and then at the Royal, a familiar haunt where she knocks back one drink after another, sometimes with her best friend Marie-Jeanne. And then a sudden accident brings Luc into the bar, and Rose decides to give love one last chance.
