Read & Succeed Comprehension Level 4: Fact and Opinion Passages and Questions Aug 31 2022 Students need purposeful practice on distinguishing fact and opinion to improve reading comprehension. These fourth grade texts capture student interest with focused, standards-based activities that provide targeted practice opportunities.

Paired Passages, Grade 5 Mar 02 2020 Paired Passages for grade 5 offers pairs of nonfiction and fiction passages for students to compare and contrast. Aligned to state standards, students will read high-interest passages about topics such as Babe Ruth, Kwanzaa, Hanukkah, a Robert Frost poem, and more. Help your students meet rigorous college- and career-ready expectations by improving reading comprehension skills. Paired Passages helps students meet and exceed reading standards by teaching them to compare and contrast fiction with nonfiction, fiction with fiction, and nonfiction with nonfiction. When students finish reading a pair of passages, they will rely on the text to complete the accompanying questions and activities. The Paired Passages series for grades 1 to 6 improves reading comprehension skills by providing passages for students to compare, contrast, and synthesize. Filled with content that appeals to today's learners, the passages represent a variety of genres such as literature (narrative, poetry, realistic fiction, and more), social studies, and science. Each topic features a pair of passages and is followed by two pages of text-dependent questions and activities. By using this research-based instructional approach, you are preparing students for a successful academic journey this year and for years to come.

The Crossover May 16 2021 Fourteen-year-old twin basketball stars Josh and Jordan wrestle with highs and lows on and off the court as their father ignores his declining health.

Finding Facts (Reading Level 2-3.5) | Short Passages | Comprehension Activities Jul 06 2020 Reading Skills Activities | Reading Comprehension | Finding Facts Improve Overall Reading Comprehension with Targeted Specific Skill Practice! Focusing on one comprehension skill at a time gives students the opportunity to master that skill and improve their general reading and comprehension skills. Finding Facts: Being able to find the facts in a story is a basic, yet essential, comprehension skill. It helps to lay the foundation for success in mastering other comprehension skills. You may want to introduce this skill by explaining to students that facts are small bits of information that make up the whole of a story. Skill Specific

Activities There are 15 high-interest, short stories in this selection that include a variety of fiction and non-fiction topics. The follow up questions guide students to find the facts. The facts might be who, what, where or when. Or they might be the names of people and places, dates, times, and numbers. Each story is numbered instead of having a title. The last question for each story asks the students to give the story a title. This important activity helps to determine the student's level of understanding the story's main idea. **Visual Lesson** Each story has an engaging illustration designed to bring the story to life and help capture the interest of reluctant readers. To help sharpen inference skills, students can be asked to use the illustration to predict what the story is about. **Teaching Opportunities** These targeted activities are great for one-on-one intervention, small groups of students at multiple skill levels or whole class participation. Can be used for remediation, review, and transition classes. **Details:** Each short story is between 140 and 160 words and is written at a 2.0 to 3.5 reading level according to the Flesch-Kincaid Readability Scale. The interest level is grades 4 and up. **Contents Include:** • 15 high-interest, short stories • 15 pages of skill-specific questions focusing on Finding Facts • Answer Key

Strong To The Hoop Jan 30 2020 For use in schools and libraries only. Ten-year-old James tries to hold his own and prove himself on the basketball court when the older boys finally ask him to join them in a game

Amigo Brothers Jan 24 2022

Paired Passages, Grade 2 Sep 19 2021 Paired Passages for grade 2 offers pairs of nonfiction and fiction passages for students to compare and contrast. Separated by topic and aligned to state standards, students will read high-interest passages about topics such as insects, pets, animal folktales, and more. Help your students meet rigorous college- and career-ready expectations by improving reading comprehension skills. Paired Passages helps students meet and exceed reading standards by teaching them to compare and contrast fiction with nonfiction, fiction with fiction, and nonfiction with nonfiction. When students finish reading a pair of passages, they will rely on the text to complete the accompanying questions and activities. The Paired Passages series for grades 1 to 6 improves reading comprehension skills by providing passages for students to compare, contrast, and synthesize. Filled with content that appeals to today's learners, the passages represent a variety of genres such as literature (narrative, poetry, realistic fiction, and more), social studies, and science. Each topic features a pair of passages and is followed by two pages of text-dependent questions and activities. By using this research-based instructional approach, you are preparing students for a successful academic journey this year and for years to come.

Basketball Feb 22 2022 James Naismith was teaching physical education at the Young Men's Christian Association Training College in Springfield, Massachusetts, and felt discouraged because calisthenics and gymnastics didn't engage his students. What was needed was an indoor wintertime game that combined recreation and competition. One evening he worked out the fundamentals of a game that would quickly catch on. Two peach half-bushel baskets gave the name to the brand new sport in late 1891. **Basketball: Its Origin and Development** was written by the inventor himself, who was inspired purely by the joy of play. Naismith, born in northern Ontario in 1861, gave up the ministry to preach clean living through sport. He

describes *Duck on the Rock*, a game from his Canadian childhood, the creative reasoning behind his basket game, the eventual refinement of rules and development of equipment, the spread of amateur and professional teams throughout the world, and the growth of women's basketball (at first banned to male spectators because the players wore bloomers). Naismith lived long enough to see basketball included in the Olympics in 1936. Three years later he died, after nearly forty years as head of the physical education department at the University of Kansas. This book, originally published in 1941, carries a new introduction by William J. Baker, a professor of history at the University of Maine, Orono. He is the author of *Jesse Owens: An American Life and Sports in the Western World*.

Ghost Feb 10 2021 Aspiring to be the fastest sprinter on his elite middle school's track team, gifted runner Ghost finds his goal challenged by a tragic past with a violent father.

Donavan's Word Jar Sep 27 2019 The classic story about the power of words. Donovan Allen doesn't collect coins, comics, or trading cards like most kids. He collects words—big words, little words, soft words, and silly words. Whenever Donovan finds a new word, he writes it on a slip of paper and puts it in his word jar. But one day, Donovan discovers that his word jar is full. He can't put any new words in without taking some of the old words out—and he wants to keep all his words. Donovan doesn't know what to do, until a visit to his grandma provides him with the perfect solution.

Read & Succeed Comprehension Level 4: Compare & Contrast Passages and Questions Oct 01 2022 Students need purposeful practice on comparing and contrasting to improve reading comprehension. Epoca: The Tree of Ecrof Aug 26 2019 From the mind of basketball legend, Academy Award-winning, and New York Times–bestselling storyteller Kobe Bryant comes a new tale of finding your strength against all odds. Set in an alternate classical world dominated by sports and a magical power called grana, *Epoca: The Tree of Ecrof* is the story of two children: the lowly born Rovi and the crown princess Pretia who uncover and battle terrible evil and discover their inner strength along the way. *Epoca: The Tree of Ecrof* takes place at the most elite sports academy in the land, where the best child-athletes are sent to hone their skills. When Rovi and Pretia arrive, each harboring a secret about themselves, they begin to suspect that something evil is at play at the school. In the course of their first year, they must learn to master their grana in order to save the world from dark forces that are rising.

Athletic Activities Reading Passages Nov 21 2021 Students will enjoy reading about a variety of athletic activities from cliff diving and snowshoeing to flamenco dancing and acrobatics. The controlled vocabulary averages two readability levels below content to ensure understanding and promote confidence. Each passage includes follow-up questions to reinforce key comprehension skills and an answer key for easy assessment.

Theoretical Issues in Reading Comprehension Oct 28 2019 Research in cognitive psychology, linguistics, and artificial intelligence – the three disciplines that have the most direct application to an understanding of the mental processes in reading – is presented in this multilevel work, originally published in 1980, that attempts to provide a systematic and scientific basis for understanding and building a comprehensive theory of reading comprehension. The major focus is on understanding the processes involved in the comprehension of written text. Underlying most of the contributions is the assumption that skilled reading comprehension requires a coordination of text with context in a way that goes far beyond simply chaining together the meanings of a string of decoded words. The topics discussed are divided into five general areas: Global Issues; Text Structure; Language, Knowledge of the World, and Inference; Effects of Prior Language Experience; and Comprehension Strategies and Facilitators, and represent a broad base of methodology and data that should be of interest not only to those concerned with the reading process, but also to basic science researchers in psychology, linguistics, artificial intelligence, and related disciplines.

Read and Succeed: Comprehension Level 4 Apr 02 2020 Students need high-quality, purposeful practice to improve reading comprehension. Hoop Genius May 28 2022 Taking over a rowdy gym class right before winter vacation is not something James Naismith wants to do at all. The last two teachers of this class quit in frustration. The students—a bunch of energetic young men—are bored with all the regular games and activities. Naismith needs something new, exciting, and fast to keep the class happy—or someone's going to get hurt. Saving this class is going to take a genius. Discover the true

story of how Naismith invented basketball in 1891 at a school in Springfield, Massachusetts.

Fact & Opinion (Reading Lvl 2.0-3.5) | Short Passages | Comprehension Activities Jun 04 2020

Reading Skills Activities | Reading Comprehension | Facts and Opinions Improve Overall Reading Comprehension with Targeted Specific Skill Practice! Focusing on one comprehension skill at a time gives students the opportunity to master that skill and improve their general reading and comprehension skills. Fact & Opinion: Being able to tell a fact from an opinion is an important reading skill to master. It allows the reader to make a sound judgment about the information presented in a story. To introduce this skill, explain the difference between a fact and an opinion. Fact: a fact is something that is true about a subject. It can be tested and proven. Opinion: an opinion is what someone thinks or feels about a subject. Skill Specific Activities There are 15 high-interest, short stories in this selection include a variety of fiction and non-fiction topics. The follow up questions guide students to Facts and Opinions. Each story is numbered instead of having a title. The last question for each story asks the students to give the story a title. This important activity helps to determine the student's level of understanding the story's main idea. Visual Lesson Each story has an engaging illustration designed to bring the story to life and help capture the interest of reluctant readers. To help sharpen inference skills, students can be asked to use the illustration to predict what the story is about. Teaching Opportunities These targeted activities are great for one-on-one intervention, small groups of students at multiple skill levels or whole class participation. Can be used for remediation, review, and transition classes. Details: Each short story is between 140 and 160 words and is written at a 2.0 to 3.5 reading level according to the Flesch-Kincaid Readability Scale. The interest level is grades 4 and up. Contents Include: • 15 high-interest, short stories • 15 pages of skill-specific questions focusing on Facts and Opinions • Answer Key

??????? May 04 2020

Jump! Jul 26 2019 What was Michael Jordan like as a boy? You might be surprised that the greatest professional basketball player ever wasn't even the best player in his own family! Michael Jordan was once just an ordinary little boy growing up in a North Carolina suburb, trying to keep up with his older brother Larry. Michael was always good at sports, but it seemed like Larry was always going to be bigger, quicker, and luckier. But Michael never gave up, and his practicing began to pay off. Then one summer day during a backyard game of one-on-one, Larry Jordan's "little" brother took him--and the whole family--by surprise! Based on actual events, this story of a friendly sibling rivalry is enhanced by Floyd Cooper's stunning two-tone art. Jump! even features a gate-fold depicting Michael Jordan's trademark leap that will send young readers soaring.

Allie's Basketball Dream Aug 19 2021 Determined in her effort to play basketball, a young African American girl gives it one more shot with the support of a special friend.

Strong Inside Nov 29 2019 New York Times Best Seller 2015 RFK Book Awards Special Recognition 2015 Lillian Smith Book Award 2015 AAUP Books Committee "Outstanding" Title Based on more than eighty interviews, this fast-paced, richly detailed biography of Perry Wallace, the first African American basketball player in the SEC, digs deep beneath the surface to reveal a more complicated and profound story of sports pioneering than we've come to expect from the genre. Perry Wallace's unusually insightful and honest introspection reveals his inner thoughts throughout his journey. Wallace entered kindergarten the year that Brown v. Board of Education upended "separate but equal." As a 12-year-old, he sneaked downtown to watch the sit-ins at Nashville's lunch counters. A week after Martin Luther King Jr.'s "I Have a Dream" speech, Wallace entered high school, and later saw the passage of the Civil Rights and Voting Rights acts. On March 16, 1966, his Pearl High School basketball team won Tennessee's first integrated state tournament--the same day Adolph Rupp's all-white Kentucky Wildcats lost to the all-black Texas Western Miners in an iconic NCAA title game. The world seemed to be opening up at just the right time, and when Vanderbilt recruited him, Wallace courageously accepted the assignment to desegregate the SEC. His experiences on campus and in the hostile gymnasiums of the Deep South turned out to be nothing like he ever imagined. On campus, he encountered the leading civil rights figures of the day, including Stokely Carmichael, Martin Luther King Jr., Fannie Lou Hamer, and Robert Kennedy--and he led Vanderbilt's small group of black students to a meeting with the university chancellor to push for better treatment. On the basketball court, he experienced an Ole Miss boycott and the rabid hate of the Mississippi State fans in Starkville. Following his freshman year, the NCAA instituted "the Lew Alcindor rule," which deprived Wallace of his signature move, the slam dunk. Despite this attempt to limit the influence of a rising tide of black stars, the final basket of Wallace's college career was a cathartic and defiant dunk, and the story

Wallace told to the Vanderbilt Human Relations Committee and later *The Tennessean* was not the simple story of a triumphant trailblazer that many people wanted to hear. Yes, he had gone from hearing racial epithets when he appeared in his dormitory to being voted as the university's most popular student, but, at the risk of being labeled "ungrateful," he spoke truth to power in describing the daily slights and abuses he had overcome and what Martin Luther King had called "the agonizing loneliness of a pioneer."

The Rather Interesting Book of Comprehension Passages Nov 02 2022 Twenty-six short comprehension passages. These first grade texts capture student interest with focused, standards-based activities that provide targeted practice opportunities.

A Whole New Ballgame Dec 31 2019 "From the first morning with their odd new teacher fifth grade is full of shocking surprises for best friends Rip and Red"--

Happy Like Soccer Apr 26 2022 "Unexpected emotional depth. . . . A thought-provoking read-aloud." - Publishers Weekly (starred review) Nothing makes Sierra happy like soccer. Her shoes have flames as she spins the ball down the spread-out sea of grass. But nothing makes her sad like soccer, too, because the restaurant where her auntie works is busy on game days and she can't take time off to watch Sierra play. With honesty and subtlety, author Maribeth Boelts and illustrator Lauren Castillo portray an endearing character in a moving, uplifting story that touches on the divides children navigate every day - and remind us that everyone needs someone to cheer them on from the sidelines.

The Man Who Invented the Game of Basketball Jun 28 2022 Dr. James Naismith was a Canadian-

American sports coach and innovator. He invented the sport of basketball in 1891 and is often credited with introducing the first football helmet. He wrote the original basketball rulebook, founded the University of Kansas basketball program, and lived to see basketball adopted as an Olympic demonstration sport in 1904 and as an official event at the 1936 Summer Olympics in Berlin, as well as the birth of both the National Invitation Tournament (1938) and the NCAA Men's Division I Basketball Championship (1939).
