Abba Father Jan 01 2020 In Abba, Father: Viewing Atonement through the Jesus Lens, I set out to rethink atonement in a departure from what is possibly the most popular theory among conservative Christians. This book reexamines atonement by giving careful attention to the words of Jesus. It abandons entirely the concept of "the atonement" held as the most popular view among conservative evangelicals today. Most of the classic theories of the atonement proposed what the authors intended to be literal, often legal, explanations of what Jesus did for us on the cross. One of the older popular theories dating back to the third and fourth centuries proposed the literal, legal explanation that Jesus paid a ransom to the devil for our souls. Several centuries later Anselm proposed the literal, legal theory that Jesus made satisfaction (paid God compensation or reparations) for our offense to God's honor. Several centuries after that, the Reformer John Calvin proposed that Jesus paid our sin debt for our offense to God's justice. (Chapters 7, 8, and 9 will trace the history of these theories.) Mention of the classical theories of the atonement refers to these three theories (plus another discussed briefly in chapter 7). These theories proposed the idea that the cross of Christ provided "the atonement"-an event that made it possible for God to forgive us and make us his children. The New Testament shows that Jesus did not preach any "theory of the atonement." In fact, Jesus never used any word that could be translated "atonement," nor did he preach any concept that could be so construed. Jesus proclaimed the

metaphor of the loving Father. Jesus taught how we are to reconcile (although he never used that word, either) with the Father, not how the Father reconciles himself to us. In addition, the message of all the New Testament authors following Jesus continued this theme while also offering many other metaphors illustrating how Jesus brings us back to God. The view presented here does not claim to be Jesus' theory of the atonement, for the New Testament evidence does not indicate that he had one. Instead, the following chapters will develop what Jesus proclaimed as his Good News of the kingdom of God. Once we understand the gospel Jesus preached, we do not need any theory of the atonement. Jesus' message as communicated through his favorite metaphor stands sufficient on its own.

Ecclesiastes or, The Preacher Jan 13 2021 Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. The text is introduced by Doris Lessing.

The Bible Story Handbook Jan 25 2022 How do Sunday school teachers lead children through the stories of Cain and Abel or Judas's betrayal in a way that reflects the authority of Scripture? Sunday school curricula often glosses over difficult lessons or focuses too much on characters in Bible stories, neglecting God's self-revelation in Scripture. John and Kim Walton have created this handbook for 175 Bible stories to assist teachers and parents in knowing what each story teaches and how to present it in a God-centered way. As they work their way through the Bible, the Waltons examine seven elements in each story: focus, theme, application, place in the Bible, interpretational issues, historical and cultural background, and age-group appropriateness. The Bible Story Handbook includes introductory articles on why we teach the Bible, right and wrong ways to use the Bible, and ends with a two-year teaching plan. Every parent and Sunday school teacher will find this unique resource to be invaluable in teaching children to know and love God.

Seeking to bring clarity and simplicity to the study of God's Word, Guthrie has written a concise, easy-to-digest collection of wisdom anchored by one verse for each book, from Genesis to Revelation—a verse that summarizes or lays the foundation for that book, placing it in context with the rest of the Scriptures.
