[If Tomorrow Never Comes](#) Nov 21 2021

[The Dawn That Never Comes](#) Feb 22 2022 A critical rethinking of theories of national imagination, *The Dawn That Never Comes* offers the most detailed reading to date in English of one of modern Japan's most influential poets and novelists, Shimazaki Toson (1872–1943). It also reveals how Toson's works influenced the production of a fluid, shifting form of national imagination that has characterized twentieth-century Japan. Analyzing Toson's major works, Michael K. Bourdaghs demonstrates that the construction of national imagination requires a complex interweaving of varied—and sometimes contradictory—figures for imagining the national community. Many scholars have shown, for example, that modern hygiene has functioned in nationalist thought as a method of excluding foreign others as diseased. This study explores the multiple images of illness appearing in Toson's fiction to demonstrate that hygiene employs more than one model of pathology, and it reveals how this multiplicity functioned to produce the combinations of exclusion and assimilation required to sustain a sense of national community. Others have argued that nationalism is inherently ambivalent and self-contradictory; Bourdaghs shows more concretely both how this is so and why it is necessary and provides, in the process, a new way of thinking about national imagination. Individual chapters take up such issues as modern medicine and the discourses of national health; ideologies of the family and its representation in modern literary works; the gendering of the canon of national literature; and the multiple forms of space and time that narratives of national history require.

[Midnight Never Come](#) Jan 12 2021 ABOVE The year is 1590. The City of London flourishes, the most brilliant jewel in the crown of Elizabeth I, Gloriana, the Virgin Queen. BELOW The Onyx Court is London's faerie shadow. Ruled by Invidiana, its heartless queen, it reflects and distorts the glory of the mortal court. BETWEEN Years ago, Elizabeth forged a pact with her faerie counterpart to secure both of their thrones. Now that alliance is in danger. Michael Deven, a rising star in Elizabeth's court, seeks the "hidden player" who has influenced mortal politics for so long. Lady Lune, a faerie out of favour, must infiltrate the mortal world to protect her vicious queen. Together this pair will uncover the secret of Invidiana's power -- a secret that has the potential to shatter both realms . . .

[If Morning Never Comes](#) Apr 26 2022 Bill's VandenBush's account of overcoming tremendous odds during the Vietnam War and near-death experiences which led to his spiritual awakening and a purpose in life.

[The Question That Never Goes Away](#) Nov 29 2019 Examines the question of why God allows suffering, sharing what the author learned in his meetings with those who have experienced loss in major tragedies to illustrate how pain often strengthens the sufferer's faith in God.

[A Man With One of Those Faces](#) Mar 26 2022 A crime thriller set in modern-day Dublin.

[Love never comes late](#) Jul 30 2022 This book reveals the feelings of a young child who witnessed her parents' divorce with its "landmark" custody decision, resulting in a mother/daughter relationship that played havoc with both their lives. The story begins in 1939 and tracks almost 60 years of family dysfunction that ended in a surprising way. The title *Love Never Comes Late* actually reprises the first words her mother said as she came out of her detox at age 87. The author started this book in the 1990's but tabled it because her mother was still alive. Folding the older text into this one, the author now provides more timely insights about the breakthrough that healed their relationship on the eve of her mother's death. As a child of divorce, the author offers a hopeful example for those emotionally damaged by divorce, abandonment and alcoholism. The book shows how grace, understanding and forgiveness can present another possibility that may seem unlikely or unattainable.

[The Fire Never Goes Out](#) Aug 19 2021 From ND Stevenson, the New York Times bestselling author-illustrator of *Nimona*, comes a captivating, honest illustrated memoir that finds him turning an important corner in his creative journey—and inviting readers along for the ride. In a collection of essays and personal mini-comics that span eight years of his young adult life, author-illustrator ND Stevenson charts the highs and lows of being a creative human in the world. Whether it's hearing the wrong name called at his art school graduation ceremony or becoming a National Book Award finalist for his debut graphic novel, *Nimona*, ND captures the little and big moments that make up a real life, with a wit, wisdom, and vulnerability that are all his own. Named one of Bank Street College of Education's Best Children's Books of the Year!

[To-morrow Never Comes](#) Dec 31 2019

[If You Never Come Back](#) Mar 02 2020 I hate Valentine's Day for one reason and one reason only: Wes Paulsen. He came into my life like a wrecking ball one year ago today. After an incredible night together, we were inseparable for months. I'd never been happier in a relationship—neither had he. We were just starting to build a life together when everything changed... Turns out Wes was hiding things from me—big things. I wanted to work through it, but he walked out, never giving me a chance. I didn't know how I'd be able to get over him, but I threw myself into my art. After months of working nonstop to escape the memories of Wes, my career's finally taking off and what do you know—Wes walked back into my life. Once again on Valentine's Day. One year to the day that we met. I've spent six months hardening my heart. It should be easy to reject him, to tell him I've moved on. But he's doing everything—and more—to win me back. He's being the boyfriend I've always wanted. It'll take everything in me to resist him—I'm not even sure if I can. But I'll sure as hell try.

[If Tomorrow Never Comes](#) May 16 2021 Childhood sweethearts Kinna and Jimmy Henley had simple dreams—marriage, children, a house by the sea...everything they needed for happily ever after. What they didn't plan on was years of infertility, stealing those dreams, crushing their hopes. Now, all that's left is the memory of young love, and the desperate need for a child to erase the pain. Until... Kinna rescues an elderly woman from the sea, and the threads of the past, present, and future weave together to reveal the wonder of one final hope. One final chance to follow not their dreams, but God's plan. Can they embrace the redemptive power of love before it's too late? Or will their love be washed away like the castles they once built upon the sand? The past whispers to the present. And the future shivers. What if tomorrow never comes?

["Love Never Comes Late..."](#) Jul 06 2020 "...not some maudlin woe-is-me memoir...be ready to put aside all of your preconceived notions of how families work and don't work."—Senator Daylin Leach This book reveals the feelings of a young child who witnessed her parents' divorce with its "landmark" custody decision, resulting in a mother/daughter relationship that played havoc with both their lives. The story begins in 1939 and tracks almost 60 years of family dysfunction that ended in a surprising way. The title *Love Never Comes Late* actually reprises the first words her mother said as she came out of her detox at age 87. Folding the older text into this one, the author now provides more timely insights about the breakthrough that healed their relationship on the eve of her mother's death. As a child of divorce, the author offers a hopeful example for those emotionally damaged by divorce, abandonment and alcoholism. The book shows how grace, understanding and forgiveness can present another possibility that may seem unlikely or unattainable.

[If Yesterday Never Comes](#) Oct 09 2020 If *Yesterday Never Comes*, by Thomas Quatrini, is a gripping look at the consequences of playing God, even if you are the most powerful man in the world. The world as we know it has changed, the United Nations has failed to evolve with the changes, and as a result is on the verge of being destroyed and replaced with the League of Democratic Nations. One man, the President of the United States, is on the brink of fulfilling a life-long dream, leaving his mark on history. Then without warning, he is informed of a time traveling device within the Pentagon, the DATE machine, that has not only become active, but is being used in a sinister plot to alter the structure of the government itself. The DATE machine is now threatening the formation of the League, and the reputation and legacy of the President. As he and his staff scramble to figure out who is behind this inner threat, he slowly realizes how the deadliest of enemies can be hidden in plain sight.

[Misfortune Never Comes Alone](#) Jun 24 2019 The sky roared and his eternal companion incessantly illuminates the earth. Micah raced through the streets, hands firmly clamped on

the wheel. In his heart is an unprecedented terror. His thoughts were on his sister Cady and his mother. The vision plays in his head again and again. What if he's too late? What if this vision is real? This is a novel that takes the reader on a journey through Micah's feelings. Tash-a-Maretto (1988) is a barrel full of emotions. Since her early teens, writing with pen and paper was the best way to express her feelings. Thanks to the enthusiastic response to her stories, she kept writing in the hope that her dream would come true and that one of her stories would be published.

Never Come Morning Jan 30 2020 Never Come Morning is unique among the novels of Algren. The author's only romance, the novel concerns Brun Bicek, a would-be pub from Chicago's Northwest side, and Steffi, the woman who shares his dream while living his nightmare. "It is an unusual and brilliant book," said The New York Times. "A bold scribbling upon the wall for comfortable Americans to ponder and digest." This new edition features an introduction by Kurt Vonnegut, Jr. and an interview with Nelson Algren by H.E.F. Donohue.

When Forever Never Comes Apr 02 2020 Marriage is sacred in the eyes of God. This book allows marriage to be honored through its instructions for those who are married and those who are going through a separation or a divorce. It is concise and packed with God, His Word, and His love. If you choose to read this book, you will be inviting God to sit with you, counsel you, hold you, and let His joy manifest in your life.

The Day That Never Comes Aug 31 2022 A fast-paced crime thriller set in Dublin and blessed with a distinctly Irish acerbic wit. This book is book 2 in Caimh McDonnell's Dublin Trilogy.

Midnight Never Comes Jul 18 2021 A former intelligence operative must stop a group of ruthless Russian spies from obtaining Britain's newest and deadliest high-tech missile. For ten years, Paul Chavasse was one of Britain's most promising intelligence agents. But when a botched mission in Albania destroyed him physically and psychologically, he was discharged from the agency a broken man. To regain his life of adventure, Chavasse trains under Chinese martial arts master Yuan Tao, gathering his strength and focusing his energy. And he will tackle his deadliest assignment yet: foiling a Russian plot to steal a high-powered British missile.

Monday Never Comes Apr 14 2021 It's more than a weight loss journey. Monday Never Comes is a story of triumph and victory in the face of what seemed impossible. Even if your battle isn't against obesity, we all face battles in life, and it's good to know that those battles don't have to stifle us. In this book, Liana shares that she learned that her fight against obesity wasn't won in the kitchen nor in the gym. She conquered the fight that was in her mind. What are you seeking to conquer? Is it school, a career goal, an addiction, a toxic relationship? Regardless of what your thing is, we all have a thing; and like Liana's obesity, those things may seem impossible, but they are not! Liana shares her story and the principles learned along the journey to help you overcome the seemingly impossible. Be encouraged and decide to fight TODAY because MONDAY NEVER COMES!

What If Tomorrow Never Comes? May 28 2022 A Los Angeles attorney with a quiet suburban life and loving family is unforeseeably faced with the unexpected. The life of Neil Schwartz is broadsided by the hand of fate when he suddenly loses his wife and becomes the caretaker of his young dying daughter. The story takes us on one man's journey from tragedy to recovery through a narrative embedded with encounters that inspire laughter and tears, infusing insight, spirituality, humor and a delicate illustration of broken faith regained.

Never Come Down Dec 11 2020 Historical Suspense: "There are no rules above 10,000 feet" This cryptic slogan puzzles Darcy Close when she arrives in Colorado's Tenmile Canyon. She has come to the high country to investigate the strange legacy left to her by her great aunt: A remote mountain ghost town called Leap Year and a terrible family secret.

They Said This Day Would Never Come Feb 10 2021 The thrilling, unlikely story of Barack Obama's first presidential campaign, as told by the volunteers and staff who propelled the longshot candidate to the presidency. In the year leading up to the Iowa caucuses, few thought a freshman senator named Barack Hussein Obama would be able to win the Democratic nomination--not to mention become the most popular leader in the world. But something was stirring. Hundreds of young people from all over the country began assembling first in Iowa. These "kids" became the foundation of one of the most improbable presidential campaigns of the modern era. Chris Liddell-Westefeld was one of those kids. He and thousands of other staff and volunteers dedicated every minute of their time, intelligence, and resources to help elect Barack Obama, as what started in the midwest spread nationwide. Drawn from more than 200 interviews with alumni including David Axelrod, David Plouffe, Alyssa Mastromonaco, Dan Pfeiffer, Valerie Jarrett, Josh Earnest, Tommy Vietor, Jon Favreau, and President Obama himself, They Said This Day Would Never Come takes readers deep inside the most inspirational presidential campaign in recent history.

When Saturday Never Comes Sep 19 2021 With the new four-team English Super League dominating football, supporters Billy, Spud, Amanda and Trevor have had enough. The four, all supporters of small clubs, have decided that they just can't sit around while their beautiful game becomes the plaything for the rich. Frustrated, they plan to fight back and sabotage the ESL and somehow replace the big clubs with the little clubs. But there is only one problem with this plan. How do four unemployed nobodies compete with ruthless, multi-billionaire owners? Follow their adventures in this satire on the current state of English football.

If Tomorrow Never Comes Oct 21 2021 I would quit this job, travel to some exotic place, and I certainly would tell those closest to me just how important they are to me. Words like these are echoed by so many people each and every day, and with each day we have to decide what to do with the time we have left. Inside of each person is a destiny, a calling, a purpose, and yet we spend day after day either running from that calling, ignoring our passion, or otherwise just taking up space. If Tomorrow Never Comes exposes the pit falls we experience in life, and brings answers to some of life's most basic questions: Why am I here, and why now? Life is a journey of discovery, and within each discovery is an answer that will lead you to a life full of adventure, a life full of peace and joy, and ultimately fulfillment as you discover the destiny that resides in you.

Tomorrow Never Comes Aug 07 2020 Tomorrow never comes recounts the events of my wife's battle with Leukemia and the love we had for each other. Tomorrow never comes was written with the hope that it will help other people cope with similar tragedies. Tomorrow never comes has flashbacks to the good times we had with each other and our children. When Nicole was enrolled in kindergarten the teacher asked her "Nicole, can you count?" Nicole said "yes I can, two, three, four, five, six, seven, eight, nine, ten, jack, queen, king, ace."

If Tomorrow Never Comes Jun 28 2022 Kinna and Jimmy Henley's love and hopes for the future have been slowly eroded by years of infertility, but when Kinna rescues a mysterious old woman from the sea, the couple may have one final chance at happiness.

Dawn Never Comes Jan 24 2022 The snow had been falling with fierce intensity for the past several hours and the accompanying strong north wind was creating blizzard conditions. While the four men sat around a small stove discussing the fate of their two captives, the two men in question, one young and the other only slightly older, sat huddled in a corner of the other unfinished cabin without the benefit of a stove or light. They fought off the biting cold and penetrating wind blowing through the cracks in the flimsy walls with only a couple of thread-bare blankets and their jackets. The older man spoke softly to the figure huddle next to him, Hang in there, son, well get out of here I promise. Move closer to me and we can share our body heat. We have to keep our strength up when the time comes we can move. The younger man moved closer and responded weakly, I dont know if I can hang on much longer, Im so cold and hungry. Putting his arm around the shivering figure the other man replied, Just hold on to me, my friends will be looking for us and I know they wont give up until were found. Huddled together the younger man tried to sleep while the mind of the older man churned over the possibilities of finding a way out of their predicament. He realized he needed to do something and do it quickly before both of them became a useless commodity which would place them at the mercy of not only the freezing weather but also their guards.

When Never Comes Nov 02 2022 Author Barbara Davis deftly explores an emotionally charged landscape of pain, loss, and despair--and the risk one woman will take in the hope of loving again. As a teenage runaway and child of an addict, Christy-Lynn learned the hard way that no address was permanent, and no promise sacred. For a while, she found a safe haven in her marriage to bestselling crime novelist Stephen Ludlow--until his car skidded into Echo Bay. But Stephen's wasn't the only body pulled from the icy waters that night. When details about a mysterious violet-eyed blonde become public, a media circus ensues, and Christy-Lynn runs again. Desperate for answers, she's shattered to learn that Stephen and his mistress had a child--a little girl named Iris, who now lives in poverty with her ailing great-grandmother. The thought of Iris abandoned to the foster care system--as Christy-Lynn once was--is unbearable. But she's spent her whole life running--determined never to be hurt again. Will she finally stand still long enough to open herself up to forgiveness and love?

Never Come Back Aug 26 2019 Never Come Back By: Karen Jensen Never Come Back is a gold mine of anthropological/sociological information about a very distinct social-religious group of people. The determination with which these Mennonites faced and overcame countless obstacles is a wonder and inspiration. -Col. Thomas Snodgrass, USAF (retired); history professor at the Air War College, USA Air Force Academy and adjunct history professor at Embry-Riddle Aeronautical University, Arizona Follow Karen Jensen as she painstakingly uncovers her Mennonite roots in Prussia and Russia. It is an exciting story, not because it is a well-written novel, but because it is true! -Dr. William Varner, The Master's University Karen Jensen grew up knowing she was living proof of her family's miraculous survival. In Never Come Back, she shares her family's extraordinary tale of deliverance and hope. In 1909, Aaron and Susanna Rempel were enjoying a peaceful life in Gnadenfeld, a Mennonite village in Russia. While wealthy, owning the first car the village had ever seen, the young family personified the Mennonite values of pacifism, hard work, and community. But World War I and Communist uprisings bankrupted the family, forcing them to Siberia. Despite being loyal citizens for a century, the Mennonites were at the mercy of the vicious Cheka secret police, the brutal Red Army, and savage bandits. Desperate to save his family, Aaron agreed to enlist in the Red Army in order to move his family back to Gnadenfeld. The family braved the deadly journey only to discover life in their village was just as brutal -- neighbor betrayed neighbor and disease and famine were rampant. The Rempel family struggled to maintain their culture, but under the Bolshevik government, their lives were repeatedly threatened. In 1922, they began the long process of immigrating to America -- a land of hope and freedom, but a journey that would be even more dangerous than what had come before. Rich with details of daily life as well as the horrors of war and Communism, Never Come Back is an intimate look at one family's

survival during the catastrophes of war and revolution.

[A Light That Never Goes Out](#) Mar 14 2021 To this day, they were, their fans believe, the best band in the world. Critics and sales figures told a similar story. Yet for all their brilliance and adoration – their famously energetic live shows routinely interrupted by stage invasions – The Smiths were continually plagued by their reticence to play the game, and by the time of 1987's *Strangeways Here We Come*, they had split. Tony Fletcher's *A Light That Never Goes Out* – part celebration, part paean – moves from Manchester in the nineteenth-century to the present day to tell the complete story of The Smiths. The product of extensive research and unprecedented access, it will serve to confirm The Smiths as one of the most important and influential rock groups of all time.

[Family Life: A Novel](#) Sep 27 2019 Winner of the 2016 International Dublin Literary Award "Gorgeously tender at its core... beautiful, heartstopping... Family Life really blazes." —Sonali Deraniyagala, *New York Times* Book Review Hailed as a "supreme storyteller" (*Philadelphia Inquirer*) for his "cunning, dismaying and beautifully conceived" fiction (*New York Times*), Akhil Sharma is possessed of a narrative voice "as hypnotic as those found in the pages of Dostoyevsky" (*The Nation*). In his highly anticipated second novel, *Family Life*, he delivers a story of astonishing intensity and emotional precision. We meet the Mishra family in Delhi in 1978, where eight-year-old Ajay and his older brother Birju play cricket in the streets, waiting for the day when their plane tickets will arrive and they and their mother can fly across the world and join their father in America. America to the Mishras is, indeed, everything they could have imagined and more: when automatic glass doors open before them, they feel that surely they must have been mistaken for somebody important. Pressing an elevator button and the elevator closing its doors and rising, they have a feeling of power at the fact that the elevator is obeying them. Life is extraordinary until tragedy strikes, leaving one brother severely brain-damaged and the other lost and virtually orphaned in a strange land. Ajay, the family's younger son, prays to a God he envisions as Superman, longing to find his place amid the ruins of his family's new life. Heart-wrenching and darkly funny, *Family Life* is a universal story of a boy torn between duty and his own survival.

[James Dean](#) May 04 2020 Beginning with his climb from the dusty backroads of Indiana to the most formidable boudoirs of Hollywood, the tortured saga of cult icon James Dean is electrifying. This new biography presents a penetrating and unapologetic look at show biz's most enduring icon of male rage the most insightful and unvarnished to have emerged from the wreckage of the car crash that killed him."

[Tomorrow Never Comes](#) Oct 01 2022 Surreal. Dreamlike. Incongruous images that play havoc with the subconscious. A twilight zone where anything can happen. This is where Tom finds himself one chilly, wet evening. While destiny takes him to the murky past that he has left behind, Tom has no control over these dark forces that impel him to take memory trips into those lanes he has no wish to haunt. Here he has to come to terms with his darkest deed. In a smoky bar with a couple of strangers and an initially disgruntled bartender, Tom spends a night like never before, when his destiny merges his past with his present. In the end, it all makes sense. In the end...

[The Dawn that Never Comes](#) Dec 23 2021 A critical rethinking of theories of national imagination, *The Dawn That Never Comes* offers the most detailed reading to date in English of one of modern Japan's most influential poets and novelists. This book surveys the ideologies of national imagination at play in early-twentieth-century Japan, specifically in the work of Shimazaki Toson (1872–1943). Bourdagh analyzes Toson's major works in detail, using them to demonstrate that the field of national imagination requires a complex interweaving of varied -- and sometimes even contradictory -- figures for imagining the national community.

[A Light That Never Goes Out](#) Sep 07 2020 When Keelin Shanley passed away aged 51, it was hard to grasp that someone so filled with life was gone. But a light so bright never really goes out, especially since in her last few months Keelin left behind this remarkable record of her life – a life cut short, but lived to the fullest. Charting the twists and turns of both a career as an investigative journalist and a lengthy battle with cancer, *A Light That Never Goes Out* reveals with real honesty what it's like to keep living your life whilst dealing with the challenges of cancer treatment. Completed posthumously by Keelin's husband Conor, *A Light That Never Goes Out* is a remarkable story of courage and resilience and a memorable reflection on how to live well, no matter what you're facing. 'Keelin's compelling story is as powerful as the woman she was.' Liz Nugent 'This is such a beautiful book. It's oddly uplifting to read, even though at times I was jack-knived with sorrow. Keelin the most remarkable person - her positivity, her grace, her gratitude for her life would recalibrate anyone's attitude. A life-affirming read that will make every reader grateful for the people they love.' Marian Keyes 'A stunning memoir – courageous, searingly honest, moving, funny, an incredible life story beautifully told.' Miriam O'Callaghan 'A beautiful love story, a behind-the-scenes career exposition and a candid telling of what it is like to live with, and die from, cancer. Heartbreakingly honest and heartachingly inspirational.' Caitriona Perry, RTÉ Six One News Co-Presenter and Author 'I found myself moved again and again by how simply and truthfully Keelin talks about the experience of dying and I am in awe of the immense courage she showed in her final months. A book which might have been bleak instead breathes with love – for her work, her colleagues, her friends and above all, her family.' Lenny Abrahamson, Director *Normal People*, Room 'A memoir that weaves the heart-breaking story of Keelin's terminal illness with joyous, insightful and frequently funny accounts from her life and career. A testament to the ultimate triumph of her unconquerable spirit.' Bryan Dobson

[These Days Will Never Come Back](#) Jul 26 2019 "Gandhi saw progress in very much the same way that Rabindranath Tagore explained it to Westerners. The West sees progress mainly in material terms-something visual and concrete: once one travelled in horse drawn carriages, now one can fly in planes. But, as Tagore pointed out, the true Eastern mind doesn't see the outward signs. A tree which stands in one place for years also progresses-it is constantly reweaving itself but the changes are taking place inside it, unseen. So also it is with man: he truly progresses only when he makes the necessary adjustments within himself-the 'know thyself' of Socrates". This is how the author explains what happened to him. His early life was highly influenced by the western style education he received in Christian boarding schools in India and later in England. He became part of the western concept of progress going for the outer gloss. But Jew-baiting at school and racial discrimination in England forced him back to his Jewish and Indian roots. He made the correction in his inner life while living in a tent in the Negev desert where he wrote this book. From being an admirer of Churchill, he became a follower of Gandhi. He argues in this book that non-violence is the only solution to the crisis in the Middle East.

[It Never Goes Away](#) Jun 16 2021 If you are transgendered, the feeling of wanting your body to match the sex you feel you are never goes away. For some, though, especially those who grew up before trans people were widely out and advocating for equality, these feelings were often compartmentalized and rarely acted upon. Now that gender reassignment has become much more commonplace, many of these people may feel increasing pressure to finally undergo the procedures they have always secretly wanted. Ken Koch was one of those people. Married twice, a veteran, and a world traveler, a health scare when he was sixty-three prompted him to acknowledge the feelings that had plagued him since he was a small child. By undergoing a host of procedures, he radically changed his appearance and became Anne Koch. In the process though, Anne lost everything that Ken had accomplished. She had to remake herself from the ground up. Hoping to help other people in her age bracket who may be considering transitioning, Anne describes the step by step procedures that she underwent, and shares the cost to her personal life, in order to show seniors that although it is never too late to become the person you always knew you were, it is better to go into that new life prepared for some serious challenges. Both a fascinating memoir of a well-educated man growing up trans yet repressed in the mid-twentieth century, and a guidebook to navigating the tricky waters of gender reassignment as a senior, *It Never Goes Away* shows how what we see in the television world of *Transparent* translates in real life.

[Some Day Never Comes](#) Jun 04 2020

[Yesterday Never Comes](#) Oct 28 2019 Painstakingly observing their every move, the monster in this story abducts beautiful young women and having built an inescapable chamber in the cellar of his home, he takes demented pleasure in having his way with them sexually. Although he is sick from as early as his teens, he gets a real taste for killing in the army during a tour in Iraq, the finish is a twist with the inevitable showdown between good and evil.

[Tomorrow May Never Come](#) Nov 09 2020 When he is confronted by the son he never knew he had, defense attorney Nicholas Reynolds will stop at nothing to reunite his family, but when tragedy strikes, Nicholas must place his faith in God and the power of love.
