**Meet Me in the Bathroom** Oct 01 2022 Named a Best Book of 2017 by NPR and GQ Joining the ranks of the classics *Please Kill Me*, *Our Band Could Be Your Life*, and *Can't Stop Won't Stop*, an intriguing oral history of the post-9/11 decline of the old-guard music industry and rebirth of the New York rock scene, led by a group of iconoclastic rock bands. In the second half of the twentieth-century New York was the source of new sounds, including the Greenwich Village folk scene, punk and new wave, and hip-hop. But as the end of the millennium neared, cutting-edge bands began emerging from Seattle, Austin, and London, pushing New York further from the epicenter. The behemoth music industry, too, found itself in free fall, under siege from technology. Then 9/11/2001 plunged the country into a state of uncertainty and war—and a dozen New York City bands that had been honing their sound and style in relative obscurity suddenly became symbols of glamour for a young, web-savvy, forward-looking generation in need of an anthem. *Meet Me in the Bathroom* charts the transformation of the New York music scene in the first decade of the 2000s, the bands behind it—including The Strokes, The Yeah Yeah Yeahs, LCD Soundsystem, Interpol, and Vampire Weekend—and the cultural forces that shaped it, from the Internet to a booming real estate market that forced artists out of the Lower East Side to Williamsburg. Drawing on 200 original interviews with James Murphy, Julian Casablancas, Karen O, Ezra Koenig, and many others musicians, artists, journalists, bloggers, photographers, managers, music executives, groupies, models, movie stars, and DJs who lived through this explosive time, journalist Lizzy Goodman offers a fascinating portrait of a time and a place that gave birth to a new era in modern rock-and-roll.

**The Bathroom Chronicles** Dec 11 2020 One hundred creative, intelligent, and interesting women--some well-known, some not--reveal their inner selves through candid, tender, and often humorous snapshots--both visual and textual--of a single object or corner of their bathroom. For many women, the bathroom is the most intimate of spaces. It is the place where we encounter ourselves in the mirror each morning and every night--brushing our teeth, applying make-up, fixing our hair, getting ready to face the day, or recede from it. **THE BATHROOM CHRONICLES** is a beautiful, chic, touching, and deeply feminine collection of photos and accompanying short stories (sometimes no more than a sentence or two) by women about their private spaces and most cherished possessions. Lena Dunham reveals the corner by the sink where she keeps her favorite pieces of jewelry, as well as her birth control. Erica Jong snaps her poodles and insists that they love her powder room and to "fluff up their hair" in front of the mirrors. Roz Chast reflects on a shelf in the corner that she purchased from a second-hand store. It's decorated with birds, because she loves birds, and a tiny emu that was given to her by a friend when she was in Australia. Like the bathrooms themselves each of these stories and images is unique--open, private, minimalistic, messy, and beautiful.
