Finally, just when the boy is ready to give up, he learns that sometimes things aren't where, or what, we expect them to be. Oliver Jeffers offers a simple, childlike tale of reaching for the stars, and emerging with a friend.

The Hueys in None The Number Feb 01 2020 Learn to count with the #1 New York Times bestselling artist of *The Day the Crayons Quit* and his hilarious cast of Hueys! "Is none a number?" you might ask. I'm glad you did. The answer is Yes! For example, how many lumps of cheese do you see next to you? The answer, depending on where you are, is likely "none." Counting with the reader all the way up to ten, the

Hueys explain numbers as only they can. Such as: The number 4 is the number of tantrums thrown by Dave every day. 7 is the number of oranges balanced on things. Oliver Jeffers takes a dive into Oliver's own origin story, inspirations, art evolution, and passion for storytelling: from growing up loving art and creating stories as a young boy in Belfast, Ireland; to finding a huge audience for his loveable stories; to what led him to his enormously clever found painting; to his collaborations with U2, TED, Colette, and Apple, to his newest meditative dipped painting performances. Oliver Jeffers is a fresh canvas for his imagination, and includes a pass through his most popular work, never-before-published illustrations and art, and a look into his more

personal world of sketchbooks and doodles. Oliver's own story, infused with the whimsy and joy his work is famous for, is must-have not only for current fans of Oliver Jeffers's picture books, but also new fans, art lovers, and bibliophiles both young and old.

But what happens when that special someone who encourages such wonder and magic is no longer around? We can hide, we can place our heart in a bottle and grow up . . . or we can find another special someone who understands the magic. And we can encourage them to see things in the stars, find joy among colors and laughter as they play.
