I Found Love Jun 30 2022 From the influential and ever-growing movement I Am Second, a remarkable collection of stories of people searching for and finding love. When I Am Second launched in 2008, the organization intended simply to tell stories of lives changed utterly by people placing God first and themselves second. Although the organization has exploded in size and influence since, that original mission has remained the same--and continues to have enormous power and influence today. I Found Love is the highly anticipated new book from I Am Second, gathering together stories of people who searched everywhere for fulfillment and wholeness and found it only when they surrendered to God. People whose stories appear include the following, among others: David and Tamela Mann Jason Castro Sean Lowe Stephen Baldwin Moving, compelling, and profoundly inspiring, the stories found here remind us that our hearts will always be restless until they find their rest in God and always unsatisfied until we find the love of God.

Major Issues and Policies in China's Financial Reform Vol. 1 May 30 2022 "Pants with close crotch," "polyandry," and "a tiger in a cage" — these enigmatic terms are frequently used by Chinese economists and policy-makers to figuratively describe certain significant financial events in the history of New China. Major Issues and Policies in China's Financial Reform is a 4-volume guide to these kinds of events. ? With the economic transformation of late 1980s as a turning point, this series provides an in-depth examination of 28 key financial policies and issues in China over a 60-year timespan. The series combines vivid stories and theoretical analysis to explain the historical background of these financial reforms, including such concepts as replacing the fiscal appropriation of investment funds by bank loans, the replacement of profit delivery by taxes, and debt for equity swaps. ? ? The series also offers evaluations of the subsequent impacts of these policies on China's economic development. Major Issues and Policies in China's Financial Reform uses a review of history to provide a basis for policy recommendations, innovations, and future fiscal and financial reforms In China.
