Island in the Sea of Time *Mar 13 2021 "Utterly engaging...a page-turner that is certain to win the author legions of new readers and fans."—George R. R. Martin, author of A Game of Thrones* *It's spring on Nantucket and everything is perfectly normal, until a sudden storm blankets the entire island. When the weather clears, the island's inhabitants find that they are no longer in the late twentieth century...but have been transported instead to the Bronze Age! Now they must learn to survive with suspicious, warlike peoples they can barely understand and deal with impending disaster, in the shape of a would-be conqueror from their own time.*

The Starless Sea *Aug 18 2021 NATIONAL BESTSELLER • From the bestselling author of The Night*

Circus, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

The Surface Breaks: a reimagining of The Little Mermaid Apr 13 2021 Deep beneath the sea off the cold Irish coast, Gaia is a young mermaid who dreams of being human... but at what terrible price? Hans Christian Andersen's dark original fairy tale is reimagined through a searing feminist lens, with the stunning, scalpel-sharp writing and world building that has won Louise her legions of devoted fans.

The Navigation of the Gulf of Mexico and Caribbean Sea Dec 22 2021

The Empty Ocean Jul 17 2021 In *The Empty Ocean*, acclaimed author and artist Richard Ellis tells the story of our continued plunder of life in the sea and weighs the chances for its recovery. Through fascinating portraits of a wide array of creatures, he introduces us to the many forms of sea life that humans have fished, hunted, and collected over the centuries, from charismatic whales and dolphins to the lowly menhaden, from sea turtles to cod, tuna, and coral. Rich in history, anecdote, and surprising fact, Richard Ellis's descriptions bring to life the natural history of the various species, the threats they face, and the losses they have suffered. Killing has occurred on a truly stunning scale, with extinction all too often the result, leaving a once-teeming ocean greatly depleted. But the author also finds instances of hope and resilience, of species that have begun to make remarkable comebacks when given the opportunity. Written with passion and grace, and illustrated with Richard Ellis's own drawings, *The Empty Ocean* brings to a wide audience a compelling view of the damage we have caused to life in the sea and what we can do about it. "

The Sea of Tranquility Jun 27 2022 A School Library Journal Best Book of 2013 An ALA/YALSA Alex Award Winner I live in a world without magic or miracles. A place where there are no clairvoyants or shapeshifters, no angels or superhuman boys to save you. A place where people die and music disintegrates and things suck. I am pressed so hard against the earth by the weight of reality that some days I wonder how I am still able to lift my feet to walk. Two and a half years after an unspeakable tragedy left her a shadow of the girl she once was, Nastya Kashnikov moves to a new town determined to keep her dark past hidden and hold everyone at a distance. But her plans only last so long before she finds herself inexplicably drawn to the one person as isolated as herself: Josh Bennett. Josh's story is no secret. Every person he loves has been taken from his life until, at seventeen years old, there is no one left. When your name is synonymous with death, everyone tends to give you your space. Everyone except Nastya who won't go away until she's insinuated herself into every aspect of his life. But as the undeniable pull between them intensifies, he starts to wonder if he will ever learn the secrets she's been hiding—or if he even wants to. *The Sea of Tranquility* is a rich, intense, and brilliantly imagined story about a lonely boy, an emotionally fragile girl, and the miracle of second chances.

To Sleep in a Sea of Stars Feb 09 2021 Now a New York Times and USA Today bestseller! Winner of Best Science Fiction in the 2020 Goodreads Choice Awards! *To Sleep in a Sea of Stars* is a brand new epic novel from #1 New York Times bestselling author of *Eragon*, Christopher Paolini. Kira Navárez dreamed of life on new worlds. Now she's awakened a nightmare. During a routine survey mission on an

uncolonized planet, Kira finds an alien relic. At first she's delighted, but elation turns to terror when the ancient dust around her begins to move. As war erupts among the stars, Kira is launched into a galaxy-spanning odyssey of discovery and transformation. First contact isn't at all what she imagined, and events push her to the very limits of what it means to be human. While Kira faces her own horrors, Earth and its colonies stand upon the brink of annihilation. Now, Kira might be humanity's greatest and final hope . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Passage to Juneau Jul 29 2022 With the same rigorous observation (natural and social), invigorating stylishness, and encyclopedic learning that he brought to his National Book Award-winning *Bad Land*, Jonathan Raban conducts readers along the *Inside Passage* from Seattle to Juneau. The physical distance is 1,000 miles of difficult-and often treacherous-water, which Raban navigates solo in a 35-foot sailboat. But *Passage to Juneau* also traverses a gulf of centuries and cultures: the immeasurable divide between the Northwest's Indians and its first European explorers-- between its embattled fishermen and loggers and its pampered new class. Along the way, Raban offers captivating discourses on art, philosophy, and navigation and an unsparing narrative of personal loss.

Salt to the Sea May 27 2022 #1 New York Times bestseller and winner of the Carnegie Medal! "A superlative novel . . . masterfully crafted."--*The Wall Street Journal* Based on "the forgotten tragedy that was six times deadlier than the Titanic."--*Time* Winter 1945. WWII. Four refugees. Four stories. Each one born of a different homeland; each one hunted, and haunted, by tragedy, lies, war. As thousands desperately flock to the coast in the midst of a Soviet advance, four paths converge, vying for passage aboard the *Wilhelm Gustloff*, a ship that promises safety and freedom. But not all promises can be kept . . . This paperback edition includes book club questions and exclusive interviews with *Wilhelm Gustloff* survivors and experts.

Sooner or Later Everything Falls Into the Sea Aug 06 2020 *Sooner or Later Everything Falls into the Sea* is one of the most anticipated sf&f collections of recent years. Pinsker has shot like a star across the firmament with stories multiply nominated for awards as well as Sturgeon and Nebula award wins. The baker's dozen stories gathered here (including a new, previously unpublished story) turn readers into travelers to the past, the future, and explorers of the weirder points of the present. The journey is the thing as Pinsker weaves music, memory, technology, history, mystery, love, loss, and even multiple selves on generation ships and cruise ships, on highways and high seas, in murder houses and treehouses. They feature runaways, fiddle-playing astronauts, and retired time travelers; they are weird, wired, hopeful, haunting, and deeply human. They are often described as beautiful but Pinsker also knows that the heart wants what the heart wants and that is not always right, or easy.

A Long Petal of the Sea Jan 23 2022 NEW YORK TIMES BESTSELLER • From the author of *The House of the Spirits*, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."—*The New York Times Book Review* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Esquire* • *Good Housekeeping* • *Parade* In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds

of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now."—J. Courtney Sullivan, author of *Saints for All Occasions* "This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time."—Colum McCann, National Book Award-winning author of *Let the Great World Spin*

The Complete Poetical Works of Robert Buchanan May 03 2020
Run, It Might Be Somebody Jul 25 2019 Book Summary of *Run It Might Be Somebody* By Ephraim Romesberg The book covers a span of over 70 years starting with the author as a shy sickly boy who was the last of 11 children living on a farm during the great depression and ends with the author as a 74 year old man, who still runs ultra distant marathons. In the first chapter, the author presents stories and anecdotes, often in a humorous way, to describe some of the joys and hardships of growing up in a large family during the great depression. Compared to today, life was very different then with no TVs, very few radios, no computers, no running water in the home (except in the pantry where there was a hand pump), and very few toys or luxuries of any kind. Also, and perhaps more significantly, kids, for the most part, were given chores and did not have time to get into trouble. There were no drugs, no gangs, and no boredom. Being the youngest in the family and somewhat sickly, the author was to some extent given some slack on farm chores. Even so, he had daily chores to do starting from a very early age such as milking cows, driving the old model T truck, fetching the cows, cleaning stables, feeding livestock, driving a tractor, and helping wherever help was needed. The book describes the one room school house that all kids in the area attended at that time. The authors dad had to quit such a school while in third grade to work on the farm when his father died leaving the family without any money or food. His mother completed school through eighth grade which was all that most people considered necessary in those days especially for women. So there was little or no pressure from the parents to go to school after that. As a result, the three oldest boys in the family never went past eighth grade. There were other reasons to stay home and the most important one was they had no decent clothing. The book tells about the Authors mother removing the white stripes from an old pair of band pants and one of the three boys who never completed high school, then removing all the little white threads so that he could wear the pants to school. He also had no decent shoes so he added home made soles to the bottoms of a pair of his work shoes by attaching them with roofing nails so that he could make the long four mile walk to the school. After several trips the nails poked through the bottoms of the shoes and wore holes in his feet. Because of that and the lure of the upcoming hunting season, and the need to work on the farm, he quit school after only a month or so. Except for the three oldest boys, all of the kids completed high school and several went on to college. The book describes such things as making hay the old fashioned way, husking corn by hand, hoeing corn and then picking rocks while resting, butchering a pig, delivering baby pigs and calves, threshing to separate the grain from the straw, and the authors Mom squirting milk straight from the cows tit at cats and grandkids.. Also described are how the young boys in the family

learned to handle a team of horses when they were only 10 years old, how one of the boys accidentally cut off his little sister's finger, how an uncle lost his leg to the stump puller, how the author, when he was only eight years old, tried to explain to a blind preacher how to use the outhouse and the Sears Roebuck catalog which was used instead of toilet paper. Also described, and a little more on the lighter side, one of the author's sisters claimed that you haven't lived until you ran barefoot through a cow pasture and felt the warmth of a fresh cow patty ooze up between your toes. The early chapters also describe the author's time in the US Navy where he was sea sick every time the ship left the dock. Hunting stories tell of deer hunting with more failures than successes. One successful

Proceedings of the Parliament of South Australia Mar 01 2020

When the Sea Turned to Silver Feb 21 2022 A New York Times Bestseller A National Book Award Finalist An IndieBound Bestseller This breathtaking, full-color illustrated fantasy is inspired by Chinese folklore, and is a companion to the Newbery Honor winner *Where the Mountain Meets the Moon*. Pinmei's gentle, loving grandmother always has the most thrilling tales for her granddaughter and the other villagers. However, the peace is shattered one night when soldiers of the Emperor arrive and kidnap the storyteller. Everyone knows that the Emperor wants something called the Luminous Stone That Lights the Night. Determined to have her grandmother returned, Pinmei embarks on a journey to find the Luminous Stone alongside her friend Yishan, a mysterious boy who seems to have his own secrets to hide. Together, the two must face obstacles usually found only in legends to find the Luminous Stone and save Pinmei's grandmother--before it's too late. A fast-paced adventure that is extraordinarily written and beautifully illustrated, *When the Sea Turned to Silver* is a masterpiece companion novel to *Where the Mountain Meets the Moon* and *Starry River of the Sky*.

Coasts and Ports of the Bay of Biscay Apr 01 2020

The Glass Breaks Oct 08 2020 Seventeen-year-old Duncan Greenfire is alive. Three hours ago, he was chained to the rocks and submerged as the incoming tide washed over his head. Now the waters are receding and Duncan's continued survival has completed his initiation as a Sea Wolf. It is the 167th year of the Dark Age. The Sea Wolves and their Eastron kin can break the glass and step into the void, slipping from the real world and reappearing wherever they wish. Wielding their power, they conquered the native Pure Ones and established their own Kingdom. The Sea Wolves glory in piracy and slaughter. Their rule is absolute, but young Duncan Greenfire and duellist Adeline Brand will discover a conspiracy to end their dominion, a conspiracy to shatter the glass that separates the worlds of Form and Void and unleash a primeval chaos across the world. 'Epic fantasy at its scary, fun, sarcastic, shock-laden best' THE BOOKBAG.

Russians in Alaska, 1732-1867 Aug 30 2022 This definitive work, the crown jewel in the distinguished career of Russian America scholar Lydia T. Black, presents a comprehensive overview of the Russian presence in Alaska. Drawing on extensive archival research and employing documents only recently made available to scholars, Black shows how Russian expansion was the culmination of centuries of social and economic change. Black's work challenges the standard perspective on the Russian period in Alaska as a time of unbridled exploitation of Native inhabitants and natural resources. Without glossing over the harsher aspects of the period, Black acknowledges the complexity of relations between Russians and Native peoples. She chronicles the lives of ordinary men and women the merchants and naval officers, laborers and clergy who established Russian outposts in Alaska. These early colonists carried with them the Orthodox faith and the Russian language; their legacy endures in architecture and place names from Baranof Island to the Pribilofs. This deluxe volume features fold-out maps and color illustrations of rare paintings and sketches from Russian, American, Japanese, and European sources many have never before been published. An invaluable source for historians and anthropologists, this accessible volume brings to life a dynamic period in Russian and Alaskan history. A tribute to Black's life as a scholar and educator, "Russians in Alaska" will become a classic in the field."

*Where the Sea Breaks Its Back Nov 01 2022 Author Corey Ford writes the classic and moving story of naturalist Georg Wilhelm Steller, who served on the 1741-42 Russian Alaska expedition with explorer Vitus Bering. Steller was one of Europe's foremost naturalists and the first to document the unique wildlife of the Alaskan coast. In the course of the voyage, Steller made his valuable discoveries and suffered, along with Bering and the crew of the ill fated brig St. Peter, some of the most grueling experiences in the history of Arctic exploration. First published in 1966, *Where the Sea Breaks Its Back* was hailed as "among this country's greatest outdoor writing" by *Field & Stream* magazine, and today continues to enchant and enlighten the new generations of readers about this amazing and yet tragic expedition, and Georg Steller's significant discoveries as an early naturalist.*

*The Sea in Winter Jan 11 2021 American Indian Youth Literature Award: Middle Grade Honor Book! In this evocative and heartwarming novel for readers who loved *The Thing About Jellyfish*, the author of *I Can Make This Promise* tells the story of a Native American girl struggling to find her joy again. It's been a hard year for Maisie Cannon, ever since she hurt her leg and could not keep up with her ballet training and auditions. Her blended family is loving and supportive, but Maisie knows that they just can't understand how hopeless she feels. With everything she's dealing with, Maisie is not excited for their family midwinter road trip along the coast, near the Makah community where her mother grew up. But soon, Maisie's anxieties and dark moods start to hurt as much as the pain in her knee. How can she keep pretending to be strong when on the inside she feels as roiling and cold as the ocean? *The Heartdrum* imprint centers a wide range of intertribal voices, visions, and stories while welcoming all young readers, with an emphasis on the present and future of Indian Country and on the strength of young Native heroes. In partnership with *We Need Diverse Books*.*

*Skin of the Sea Apr 25 2022 INSTANT NEW YORK TIMES BESTSELLER • The must-read Black mermaid fantasy series that #1 NYT bestselling author Nicola Yoon calls "epic and original," in which one mermaid takes on the gods themselves. Perfect for fans of *Children of Blood and Bone* and anyone who can't wait for the live-action *The Little Mermaid*. "Riveting." —NPR "Evocative." —*Entertainment Weekly* "Remarkable." —*Buzzfeed* A way to survive. A way to serve. A way to save. Simi prayed to the gods, once. Now she serves them as Mami Wata—a mermaid—collecting the souls of those who die at sea and blessing their journeys back home. But when a living boy is thrown overboard, Simi goes against an ancient decree and does the unthinkable—she saves his life. And punishment awaits those who dare to defy the gods. To protect the other Mami Wata, Simi must journey to the Supreme Creator to make amends. But all is not as it seems. There's the boy she rescued, who knows more than he should. And something is shadowing Simi, something that would rather see her fail . . . Danger lurks at every turn, and as Simi draws closer, she must brave vengeful gods, treacherous lands, and legendary creatures. Because if she fails, she risks not only the fate of all Mami Wata, but also the world as she knows it.*

*Gangway! May 15 2021 Landlubbers use a remarkable number of terms and expressions that originated at sea. This readable dictionary of maritime vernacular explains the meanings behind "catspaw," "kick the bucket," "palaver," "three sheets in the wind," and other curious lingo. It's a great gift for any sailor or lover of language. "Entertaining and informative." — *The Washington Post*.*

Pacific Islands Pilot: Western groups Jun 23 2019

*The Sea Sep 06 2020 Sailing across time and geography, the imaginary and the real, *The Sea* chronicles the many physical and cultural meanings of the watery abyss. This book explores the sea and its meanings from ancient myths to contemporary geopolitics, from Atlantis to the Mediterranean migrant crisis. Richard Hamblyn traces a cultural and geographical journey from estuary to abyss, beginning with the topographies of the shoreline and ending with the likely futures of our maritime environments. Along the way he considers the sea as a site of work and endurance; of story and song; of language, leisure,*

and longing. By meditating on the sea as both a physical and a cultural presence, the book shines new light on the sea and its indelible place in the human imagination.
