The authors are mathematicians who were strongly influenced by Thurston's publications and ideas. The subjects discussed include, among others, knot theory, the topology of 3-manifolds, circle packings, complex projective structures, hyperbolic geometry, Kleinian groups, foliations, mapping class groups, Teichmüller theory, anti-de Sitter geometry, and co-Minkowski geometry. The book is addressed to researchers and students who want to learn about Thurston's wide-ranging mathematical ideas and their impact. At the same time, it is a tribute to Thurston, one of the greatest geometers of all time, whose work extended over many fields in mathematics and who had a unique way of perceiving forms and patterns, and of communicating and writing mathematics.

years ago. The night she made the world around me so much more than just a blur. Now it's the catalyst that threatens to tear us apart. Our happily was supposed to be ever after. **Reveal** Dec 11 2020 From New York Times bestselling author K. Bromberg comes the raw, sexy, and jaw-dropping finale to the Wicked Ways series. I play to win, and I won't let anything--or anyone--get in the way of what I want. The first time I met Vaughn Sanders, I knew I wanted her. Confident, intelligent, and downright sexy. I thought I knew how to play her game. I was ready and willing for the challenge. Little did I know she was full of secrets and surprises. But so am I. Charming a woman into my bed has never been my problem. It's the relationship part that is. They want it. I don't. But can you blame me? Broken marriages are how I make a living. Hell, no self-respecting man would let a woman own his thoughts, invade his dreams, and steal his heart. So how in the world has Vaughn done that to me? I've fallen in love with her. There. I said it. But that acknowledgment comes with a heavy price.

Everything and everyone seem to be working against us, leaving us both to question whether what we have is worth the cost. I'll be damned if I go down without a fight.

**Mister Tonight** May 16 2021 Last night was the most embarrassing night of my life. I was that girl. You know, the highly intoxicated chick celebrating her thirtieth birthday with her two best friends—who are happily married. And the

more I drank, the more I wanted to do something reckless to celebrate. By reckless, I mean the sexy and alluring man dressed in a business suit standing near the bar. You know his type—tall, dark, handsome. I was sure he was out of my league, but I'd had just enough alcohol that things like that no longer seemed to matter. I'm not fat, mind you, but you can tell I like french fries, so there's that. He took me home, and I enjoyed the hottest birthday sex of my life. Well, until it came to a screeching and rather unwelcome halt. There's nothing quite like being interrupted mid-ride with a little voice asking, "What are you doing to my daddy?" Just kill me now . . . or so I thought. Come to find out, the man I rode like a bull at the rodeo is my new landlord.

Miles and Me Jun 04 2020 Quincy Troupe's candid account of his friendship with Miles Davis is a revealing portrait of a great musician and an intimate study of a unique relationship. It is also an engrossing chronicle of the author's own development, both artistic and personal. As Davis's collaborator on *Miles: The Autobiography*, Troupe—one of the major poets to emerge from the 1960s—had exceptional access to the musician. This memoir goes beyond the life portrayed in the autobiography to describe in detail the processes of Davis's spectacular creativity and the joys and difficulties his passionate, contradictory temperament posed to the men's friendship. It shows how Miles Davis, both as a black man and an artist, influenced not only Quincy Troupe but whole generations. Troupe has written that Miles Davis was "irascible, contemptuous, brutally honest, ill-tempered when things didn't go his way, complex, fair-minded, humble, kind and a son-of-a-bitch." The author's love and appreciation for Davis make him a keen, though not uncritical, observer. He captures and conveys the power of the musician's presence, the mesmerizing force of his personality, and the restless energy that lay at the root of his creativity. He also shows Davis's lighter side: cooking, prowling the streets of Manhattan, painting, riding his horse at his Malibu home. Troupe discusses Davis's musical output, situating his albums in the context of the times—both political and musical—out of which they emerged. *Miles and Me* is an unparalleled look at the act of creation and the forces behind it, at how the innovations of one person can inspire both those he knows and

loves and the world at large.

It's looking like he'll never be free of that shadow. But one nocturnal animal, a feverish against-the-wall kiss, and absolutely zero pajamas has a way of changing everything. Kleinian Groups and Hyperbolic 3-Manifolds Dec 31 2019 The subject of Kleinian groups and hyperbolic 3-manifolds is currently undergoing explosively fast development, with many old problems and conjectures close to resolution. This volume, proceedings of the Warwick workshop in September 2001, contains expositions of many of these breakthroughs including Minsky's lectures on the first half of the proof of the Ending Lamination Conjecture, the Bers Density Conjecture by Brock and Bromberg, the Tameness Conjecture by Kleineidam and Souto, the state of the art in cone manifolds by Hodgson and Kerckhoff, and the counter example to Thurston's  $K=2$  conjecture by Epstein, Marden and Markovic. It also contains Jørgensen's famous paper 'On pairs of once punctured tori' in print for the first time. The excellent collection of papers here will appeal to graduate students, who will find much here to inspire them, and established

researchers who will find this valuable as a snapshot of current research.

In the morning, Stella and Bear wake up to horrible news. The sort that sends them racing back to Vermont, and straight into the arms of guilt and family obligations. For all of Bryan "Bear" Barry's life, three natural laws held true: his best friend Hank was destined for greatness, Hank's sister Stella was off-limits, and Bear would always manage to negotiate the rocky paths that life threw his way. In the space of two days, that's all shattered. Bear can't believe he slipped up so badly with Stella. Even if his best friend wasn't lying broken in a hospital bed, it would still be unforgivable. Determined to do better, he devotes himself to his friend's recovery, denying himself the very person he loves. And the very thing he needs.

*xo, Zach* Jan 12 2021 The first time we met was at a party. Your ex arrived to show off the person he'd left you for last month, and you asked me to pretend to be your date. I was more than happy

to help. You were attractive, smart and witty--and that kiss we shared? It left me wanting you for days. The second time we met was in my office on campus where we were both surprised to discover you were the new master's degree student in poetry that I would be working with. You promised to be professional. I did no such thing. The late nights and intense study sessions spent alongside you majorly throw me off my game. I want you, and I fight with myself daily over this fact. I know I'm crass, that my sexual innuendos and dirty mouth annoy you, but I live for those two bright spots of color in your cheeks. If that's the only reaction I can get out of you, I'll gladly take it. You hate Mondays so every Monday I slip an anonymous poem into your bag and your smile gets me through the week. I think I'm falling for you, and I know it's wrong. I know that I'm only supposed to be your adviser and nothing more, but here's the thing. I think you're falling for me too. *xo, Zach*

Même de celle de Scout Dalton, la femme qui partage sa vie. Avec une épaule blessée et une carrière sur la touche, sa brusque décision de tout changer le conduit à douter de tout - de l'amour de Scout, de la loyauté des membres de sa famille et de sa propre capacité à affronter un obstacle qu'il n'a jamais réussi à surmonter jusque -là. Un secret qu'il n'a jamais partagé avec personne.
