At the Moment of Salvation Jul 05 2020 This book discusses fifteen blessings that God gives to each and every Christian at the very moment that we pray a sinner's prayer and accept Jesus Christ as our Lord and Savior. This book is designed in short and easy-to-read chapters for those on the go. It is designed to bless and encourage the so-called average Christian.

Saved From Salvation Oct 08 2020 Spirituality is both a personal and a shared experience; it is private and communal. The old religious dogmas, hierarchies, creeds, and antiquated vocabularies are increasingly irrelevant to 21st century seekers of

truth; but the shared spiritual journey still has value. Can we move beyond the irrelevance of outmoded religion and still form spiritual communities, embrace life enhancing rituals, enjoy sacred stories, and ask honest questions that may not have preapproved answers? One liberal minister thinks that such spiritual communities are possible and needed and he has devoted his life to creating such communities. A humanistic spirituality can still embrace mystery and wonder, hope and peace, possibilities and wisdom, and as we offer such spirituality, a new generation may discover that houses of worship can still have meaning.

Stop Asking Jesus Into Your Heart Nov 20 2021 “If there were a Guinness Book of World Records entry for ‘amount of times having prayed the sinner’s prayer,’ I’m pretty sure I’d be a top contender,” says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. “Lack of assurance” is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of “asking Jesus into your heart” or “giving your life to Jesus” often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

The Cross and Salvation (Hardcover) Jun 27 2022 With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a

clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

The Best Kept Secret of Christian Mission Aug 06 2020 This book comes out of years of reflection, failures, and some successes in the task of reaching out to others with the gospel. Many Christians think of the task of mission as an entirely verbal activity, when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him, and only a few of them involve speaking. Without diminishing or downplaying the importance of speaking the gospel, John Dickson shows that, on the other hand, downplaying the range of activities that promote Christ to the world has its own set of problems. It can make those who are not confident about speaking—of anything, let alone Jesus—feel inadequate and self-conscious in the task of reaching out to others. Equally, it can make those who do have a flair for speaking feel as though they are fulfilling Christ's mission just by talking. But the reality is that the Lord wants our whole life, not just our lips, in the task of bringing the gospel to the world. Every facet of our lives can be

used by God to promote the news of his power and mercy. In this practical guide to the biblical art of sharing your faith, John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus. While not all Christians are called and gifted to become evangelists, we are all called to promote the gospel through a wide range of activities—prayer, financial partnership, good deeds, godly lives, public worship, daily conversation, etc.—with and without our lips. As readers engage with this book, grapple with its arguments and hear the stories of people coming to faith, they will be inspired to see the whole of life as significant for bringing the gospel to the world, and they will be liberated out of guilt and self-consciousness in evangelism into becoming perfectly natural promoters of Jesus Christ.

The Sure Cure for Worry Jun 03 2020 What Is the Key to Living without Fear? As you look ahead to tomorrow, it is hard not to worry--about financial pressures, family issues, problems at work and so much more. You may even feel helpless as worry threatens to drain your life of joy. But there is good news. "We must keep trusting God, even when the world looks out of control, knowing that He is in charge and will take care of every situation that worries us." Bestselling author Kent Crockett explains how God can guide you, even now, along His chosen path, without your realizing it--from the circumstances you face to the people you meet--to accomplish His plan. Crockett reveals the two necessities that enable you to face the future without fear: believing that God is in control and learning to let Him guide you. The Sure Cure for Worry helps you to do both so you can live one day at a time, release your problems to God and live life to the fullest.

As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

always be at the centre of true Spirit-led ministry. A new chapter explores Christian assurance. Fulfilling God'S Call Mar 13 2021 The Bible says in Proverbs 13:15, Good understanding giveth favor: but the way of transgressors is hard. If we go to hell, we have to go by the preachers sermons, by your mothers prayers, and most of all by Calvary. I'm so thankful that God saved me and changed my life. Pastor Manderss hearts desire is to tell the lost about the Lord and Savior Jesus Christ, so that all can receive salvation and be saved from the wrath and judgments of God. They are soon coming upon all sinners and unbelievers and all those who refuse to believe on the Son of God. With a great desire to do something for the Lord, he preached his first sermon in a little army tent, and he has since traveled to fifteen countries and is now pastor at Grace & Truth Church in Dawsonville, Georgia. Pastor Manderss dream was to have a church like the Murrayville Revival Center where he got saved. The Lord showed him in a night vision that it was his perfect will, so he started working toward it with no money, just a step of faith. It has been the Lords to make a way from a storefront to a cabinet shop that we renovated that is now a beautiful church. Through much prayer and sacrifice, now the vision has come to pass. Teamwork makes the dream work!

The Law of Rewards Sep 18 2021 The bestselling author of "The Treasure Principle" makes a clear, compelling case for an underemphasized scriptural principle: that believers will receive differing rewards in heaven based on their earthly choices.

Kept for Jesus Aug 18 2021 Can Christians lose their salvation? This question has perplexed—and, at times, distressed—believers for centuries, and it is still often asked today. When faced with their sin and shortcomings, many Christians are tempted to

conclude that they've strayed too far and that God no longer loves them. In *Kept for Jesus*, pastor Sam Storms addresses common concerns that Christians have related to their eternal security, offering hope and assurance from the Bible. Examining every New Testament passage that speaks to this important issue, this book charts a biblical course between those who say that Christians can lose their salvation and those who carelessly declare, "Once saved, always saved." This pastoral book will equip pastors, church leaders, and laypeople with biblical answers for anyone questioning their salvation.

The Faith of Lonely Mr. First Pew May 03 2020 Children and Faith Faith of Lonely Mr. First Pew' is my personal parenting guide on Christian faith, stressing the importance of family worship-instilling a Christian foundation in a child. Although a fictional story, this book has a flair of fantasy and fun, but the focus is on directing a child in the right path, God's Path.' To me the most important parental role a parent can take is "Train up a child in the way he should go, and when he is old, he will not depart from it." (Proverbs 22:6) Children are made by law to attend school. What would happen if knowledge-reading, writing, and arithmetic-was kept from a child? Why shouldn't parents make or encourage' their child to go to church to worship God and learn of His Word in Sunday School?' How is a child to learn of God if he is not taught and shown. Easter-which is the finale in my book-is the most glorious of celebrations. Jesus Christ was crucified, was resurrected, and returned to heaven, but not before leaving his comforter, the Holy Spirit for all who believe in Him. Attend church with Magdalene, find your pew personality, and celebrate Christ's Resurrection and glory.

Kept by the Power of God Jun 15 2021 This is a very controversial subject which disturbs many people. oIf you do get disturbed it will be because of the emotion usually surrounding the subject of "eternal security." oIf you get upset it will NOT be caused by the manner in which Dr. Marshall has presented the

subject. It is the contention of the author that there is biblical truth in both the Calvinistic and the Arminian position concerning this volatile subject, and that each camp should candidly recognize the value of the other's positions. John Wesley once wrote, "The truth of the Gospel is within a hairsbreadth of Calvinism." Quite a concession for the chief spokesman of Arminianism! Dr. I. Howard Marshall echoes the contention of Wesley, and then goes even beyond it. "The full Arminian position is as much open to error as is extreme Calvinism. My aim is to reach beyond the Calvinist-Arminian controversy to a position which is biblical."

Desiring God Aug 30 2022 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Hell's Best Kept Secret Oct 20 2021 How many souls have you won to Christ? How many are still walking with the Lord? All, some, a few? The facts are: Evangelical success is at an all-time low. We're producing more backsliders than true converts. The fall-away rate—from large crusades to local churches—is between 80 to 90 percent. Why are so many unbelievers turning away from the message of the gospel? Doesn't the Bible tell us how to bring sinners to true repentance? If so, where have we missed it? The answer may surprise you. One hundred years ago, Satan buried the crucial key needed to unlock the unbeliever's heart. Now Ray Comfort boldly breaks away from modern tradition and calls for a

return to biblical evangelism. If you're experiencing evangelical frustration over lost souls, unrepentant sinners, and backslidden "believers," then look no further. This radical approach could be the missing dimension needed to win our generation to Christ.

Dogmatic Constitution on Divine Revelation Apr 25 2022 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture,

tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.
