General Liability Insurance Coverage Jun 03 2020 Those involved with general (and professional) liability insurance claims, such as insurance company claims professionals, coverage counsel, risk managers and brokers all respond to a new claim scenario with the same three words: Is it covered? [That may also be the last time that they agree on anything.] It's just three words -- but the answer can be vexing. Despite the relative uniformity of general liability policies, states can differ widely in their interpretation and application of them. So the answer to the "Is it covered?" question can depend a great deal on whether the case arises on one side of the street (or river or mountain) or another. General liability issues usually involve one or more rules, or schools of thought, that govern their resolution. The task for courts is often to identify and examine these various rules and decide which to apply to the claim before it. "General Liability Insurance Coverage -- Key Issues in Every State" sets forth the rules that have been adopted by all 50 states, and the District of Columbia, for 21 important and commonly occurring general liability insurance coverage issues. And about half the issues are just as relevant for professional liability claims scenarios. 50 State Surveys on insurance coverage issues are inherently limited. "Key Issues" understands this and seeks to provide as much relevant information as possible to maximize their usefulness. To the extent possible, "Key Issues" sets out the aspects of cases (e.g., facts and/or policy language) that were at issue in the court's decision. This enables the reader to compare the cases in the book, to his or her claim at hand, and come away with an understanding of how the issue may be resolved by a court. Although "Key Issues" is aimed at attorneys and insurance professionals with some degree of experience, it is accessible to entry-level readers as well. Chapter 1 provides an overview of the CGL policy. Each chapter after that contains an overview of the nature, background, development, and competing schools of thought concerning a key issue followed by a comprehensive state-by-state summary of relevant law, including the latest cases and developments. Table of Contents Commercial General Liability Insurance-An Overview Choice of Law for Coverage Disputes Late Notice Under "Occurrence" Policies: Is Prejudice to the Insurer Required? Coverage for Pre-Tender Defense Costs Duty to Defend Standard: "Four Corners" or Extrinsic Evidence? Insured's Right to Independent Counsel Insurer's Right to Reimbursement of Defense Costs Prevailing Insured's Right to Recover Attorney's Fees in Coverage Litigation Number of Occurrences Coverage for Innocent Co-Insureds: "Any" Insured vs. "The" Insured and the Severability of Interests Clause Is Emotional Injury "Bodily Injury"? Is Faulty Workmanship an "Occurrence"? Permissible Scope of Indemnification in Construction Contracts Qualified Pollution Exclusion Absolute Pollution Exclusion Trigger of Coverage for Latent Injury and Damage Claims Trigger of Coverage for Construction Defects and Non-Latent Injury and Damage Claims Allocation of Latent Injury and Damage Claims Coverage For Privacy Claims and Cyber Risks Insurability of Punitive Damages First- and Third-Party Bad Faith Standards The Reasonable Expectations Approach to Insurance How Insurance Works May 03 2020

The Law of Liability Insurance Jun 23 2019 The Law of Liability Insurance addresses a specialist niche of law with comprehensive coverage of common law and statute. Liability insurance provides indemnity against loss to the insured flowing from their liability to another. Types of liability insurance discussed in this two volume work include: motor vehicle, product liability, directors' and officers', employers' liability, professional indemnity, householders' liability, home contents, occupiers' liability, aviation. The Law of Liability Insurance is the decisive title covering the fundamental areas of insurance liability. This new edition has been substantially revised and updated. The area of insurance has changed significantly since the publication of the second edition in 2005. The authors' renowned expertise have woven these developments throughout the new edition and offer insightful analysis and vital references. The purpose of The Law of Liability Insurance is to provide for practitioners and insurers a practical discussion of matters where controversy arises, and to provide the authorities upon which the discussion is based. This review was first published in the Law Institute Journal Victoria 88.01, April 2014 This review was published in LawNews - February 28, 2014 Features; Comprehensive two volume; High level practitioner work; Detailed reference to authorities on subjects discussed, with commentary on their relevance and validity.; References to articles by learned authors on specific issues.; Extensive Index to contents

Directors' and Officers' Liability Insurance Nov 28 2019 Directors' and officers' (D&O) liability insurance policy is one of the fastest growing areas in the world insurance market. D&O insurance possesses its own rules of law, principles, and features, making it unique in both its nature and operation. Despite being both commonplace and extremely complex, very little has been published to date on this vast topic. This book scrutinizes the rationale behind D&O insurance and provides a clear and comprehensive analysis of how and to what extent company directors are protected against the myriad of potential liabilities they may face. Contents include: the nature and legality of D&O liability insurance sources of directors' and officers' liability liability to third parties liability at civil law persons covered by D&O insurance D&O exclusions defense costs cover and allocation aggregation principles and D&O cover reinsurance of D&O policies.

Understanding the Commercial General Liability Policy May 27 2022 The Commercial General Liability (CGL) Insurance Policy is the standard business policy used to pay claims for bodily injury or property damage to others. The policy is divided into three coverage sections-each with its own exclusions-and a supplementary payments section. Do you ever hear-or worry-that an insurance company will not pay a claim because coverage is excluded? In order to know how claims are paid, you need to understand the policy's insuring agreements and exclusions. In this book, attorney and insurance professional Dwight M. Kealy explains the insuring agreements in Coverage A, B, and C. He gives memorable examples of every standard exclusion-and some significant non-standard exclusions. He explains every supplementary payment, and he explains how policy limits impact how claims are paid.

Commercial General Liability Coverage Guide Mar 25 2022 The ISO Commercial General Liability form is the backbone of most commercial insurance programs. That's why virtually every insurance professional must be able to navigate it confidently. Commercial General Liability Coverage Guide is the only professional resource that traces the coverage provisions of the ISO CGL form from the 1986 (in some cases earlier editions) to the most recently released form. With a focus on real-world application, the Commercial General Liability Coverage Guide has been a perpetual best seller since the first edition was published in 1985. Now in its 12th edition, this singular reference extends the long-standing tradition of continuous improvement with the inclusion of significant new material and updates: ♦ Case summaries of some of the most important court decisions that directly affect the CGL policy interpretation from the past year ♦ An in-depth analysis of several issues that have recently arisen in the CGL, including: ♦ The Care Custody and Control Exclusion ♦ The Pollution Exclusion ♦ The "Your Product" and "Your Work" Exclusions ♦ The Expected or Intended Exclusion ♦ Additional Insureds ♦ Property Damage ♦ Professional Liability and General Liability Insurance ♦ Separation of Insured ♦ State-by-State Analysis of Dram Shop Laws ♦ Legal Status of Punitive Damages Insurability and

Premises Liability ♦ *In-depth Analysis of the Liquor Liability Provision and the 2017 Changes to the Endorsement* ♦ *Coverage Checklists for General Liability and for Commercial Umbrella and Excess Liability Commercial General Liability Coverage Guide* also includes the *Umbrella Form and Excess Form* themselves, along with fully updated case law and a revised case law index. In addition to the all-new material, expert authors Donald S. Malecki and David Thamann have fully reviewed and revised (where necessary) the entire book. The 12th edition contains everything you've come to expect from this industry-standard CGL resource, including: ♦ *Original discussion and expert analysis supported by up-to-date multi-jurisdictional case law* ♦ *The real-life examples that make this book the most practical CGL resource* ♦ *Analyses of endorsement that may be used to tailor coverage* ♦ *Highlights of the major changes seen in the 2013 ISO CGL form and analysis of how they affect coverage* Only *Commercial General Liability Coverage Guide* enables you to master the *Commercial General Liability Form*, navigate all the major policy provisions, correctly interpret policy language, and keep your focus on practical applications to real-world situations. Chapter by chapter, this plain-English guide dedicates its coverage to providing small businesses with options for having their auto exposures covered.

Mass Marketing of Property and Liability Insurance Jan 23 2022

Deregulating Property-Liability Insurance Sep 06 2020 Over the past two decades, the United States has successfully deregulated prices and restrictions on most previously-regulated industries, including airlines, trucking, railroads, telecommunications, and banking. Only a few industries remain regulated, the largest being the property-liability insurance business. In light of recent sweeping financial modernization legislation in other sectors of the insurance industry, this timely volume examines the basis for continued regulation of rates and forms of the U.S. property-liability insurance market. The book focuses on private passenger automobile insurance—the most important personal line of property-liability coverage, with annual premiums of about \$120 billion. The authors analyze five state case studies: California, Massachusetts, and New Jersey—three of the most heavily regulated states—as well as Illinois, which has been deregulated for about 30 years, and South Carolina, which began to deregulate in 1997. The study also includes an econometric analysis based on all fifty states over a 25-year period that gauges the impact of regulation on insurance price levels, price volatility, and the proportion of automobiles insured in residual markets. The authors conclude that regulation does not significantly reduce long-run prices for consumers, and generally limits availability of coverage, reduces the quality and variety of services available in the market, inhibits productivity growth, and increases price volatility. Contributors include Dwight Jaffee (University of California, Berkeley), Thomas Russell (Santa Clara University), Laureen Regan (Temple University), Sharon Tennyson (Cornell University), Mary Weiss (Temple University), John Worrall (Rutgers University), Stephen D'Arcy (University of Illinois, Urbana-Champaign), Martin Grace (Georgia State University), Robert Klein (Georgia State University), Richard Phillips (Georgia State University), Georges Dionne (University of Montreal), and Richard Butler (Brigham Young University).

Property and Liability Insurance Entities 2019 Feb 09 2021 Stay up-to-date on current GAAP and statutory accounting and audit guidance for property and liability insurance entities. Property and Liability Insurance Principles Nov 20 2021

The Law of Liability Insurance Jan 11 2021 This book provides an authoritative and comprehensive review of all aspects of the law that relate to liability insurance contracts. Taking an international comparative perspective, *The Law of Liability Insurance* covers all the major types of liability insurance, not just professional indemnity insurance, presenting the issues according to the general principles of contract law. The book begins by concentrating on the fundamentals of the liability insurance contract before moving on to cover conditions, defence, exclusions, and finally claims against and non-payment by the insurer. This book will be an invaluable reference tool for practitioners and professionals working in the commercial liability insurance industry, including those who operate globally, as well as being a source for academics and post-graduate students.

Allen's Alabama Liability Insurance Handbook Jun 27 2022 This treatise builds on the work of Bibb Allen and provides complete coverage of insurance law in Alabama. This eBook features links to Lexis Advance for further legal research options.
