The Good Lie Feb 20 2022 Six teens murdered. A suspect behind bars. A desperate father. In a case this shadowy, the truth is easy to hide. Psychiatrist Dr. Gwen Moore is an expert on killers. She's spent a decade treating California's most depraved predators and unlocking their motives--predators much like the notorious Bloody Heart serial killer, whose latest teenage victim escaped and then identified local high school teacher Randall Thompson as his captor. The case against Thompson as the Bloody Heart Killer is damning--and closed, as far as Gwen and the media are concerned. If not for one new development... Defense attorney Robert Kavin is a still-traumatized father whose own son fell prey to the BH Killer. Convinced of Thompson's innocence, he steps in to represent him. Now Robert wants Gwen to interview the accused, create a psych profile of the killer and his victims, and help clear his client's name. As Gwen and Robert grow closer and she dives deeper into the investigation, grave questions arise. So does Gwen's suspicion that Robert is hiding something--and that he might not be the only one with a secret.

Blindfolded Innocence Oct 07 2020 "I'm not sure what you have been told about me, but I'm not nearly as bad as they make me out to be." His deliciously deep voice carried a little bit of ego. I'm sure you are exactly as bad as they make you out to be.... Brad De Luca is used to getting whatever and whomever he wants. The premier divorce attorney in town, he's a playboy who's bedded half the city—including his own clients. And when the newest intern at his firm poses a challenge, his seductive prowess goes into overdrive. Pre-law student Julia Campbell is fresh off a failed engagement and happy with her new independence. Even if she weren't warned away from Brad at every turn, she'd know he was bad news. The last thing she needs is a man who could destroy her job prospects, not to mention her innocence. But before she knows it, the incorrigible charmer has her under his spell. His deviant tastes plunge her deep into a forbidden world of sexual exploration...but her heart may not survive the fall.

[Between Two Kingdoms](#) Jun 02 2020 NEW YORK TIMES BESTSELLER • A searing, deeply moving memoir of illness and recovery that traces one young woman's journey from diagnosis to remission to re-entry into "normal" life—from the author of the *Life, Interrupted* column in *The New York Times* ONE OF THE BEST BOOKS OF THE YEAR: *The New York Times* Book Review, *The Washington Post*, *Bloomberg*, *The Rumpus*, *She Reads*, *Library Journal*, *Booklist* • "I was immersed for the whole ride and would follow Jaouad anywhere. . . . Her writing restores the moon, lights the way as we learn to endure the unknown."—Chanel Miller, *The New York Times* Book Review "Beautifully crafted . . . affecting . . . a transformative read . . . Jaouad's insights about the self, connectedness, uncertainty and time speak to all of us."—*The Washington Post* In the summer after graduating from college, Suleika Jaouad was preparing, as they say in commencement speeches, to enter "the real world." She had fallen in love and moved to Paris to pursue her dream of becoming a war correspondent. The real world she found, however, would take her into a very different kind of conflict zone. It started with an itch—first on her feet, then up her legs, like a thousand invisible mosquito bites. Next came the exhaustion, and the six-hour naps that only deepened her fatigue. Then a trip to the doctor and, a few weeks shy of her twenty-third birthday, a diagnosis: leukemia, with a 35 percent chance of survival. Just like that, the life she had imagined for herself had gone up in flames. By the time Jaouad flew home to New York, she had lost her job, her apartment, and her independence. She would spend much of the next four years in a hospital bed, fighting for her life and chronicling the saga in a column for *The New York Times*. When Jaouad finally walked out of the cancer ward—after countless rounds of chemo, a clinical trial, and a bone marrow transplant—she was, according to the doctors, cured. But as she would soon learn, a cure is not where the work of healing ends; it's where it begins. She had spent the past 1,500 days in desperate pursuit of one goal—to survive. And now that she'd done so, she realized that she had no idea how to live. How would she reenter the world and live again? How could she reclaim what had been lost? Jaouad embarked—with her new best friend, Oscar, a scruffy terrier mutt—on a 100-day, 15,000-mile road trip across the country. She set out to meet some of the strangers who had written to her during her years in the hospital: a teenage girl in Florida also recovering from cancer; a teacher in California grieving the death of her son; a death-row inmate in Texas who'd spent his own years confined to a room. What she learned on this trip is that the divide between sick and well is porous, that the vast majority of us will travel back and forth between these realms throughout our lives. *Between Two Kingdoms* is a profound chronicle of survivorship and a fierce, tender, and inspiring exploration of what it means to begin again.

Gorky Park Sep 05 2020 The "gripping, romantic, and dazzlingly original" (*Cosmopolitan*) Arkady Renko book that started it all: the #1 bestseller *Gorky Park*, an espionage classic that begins the series, by Martin

Cruz Smith, “the master of the international thriller” (The New York Times). It begins with a triple murder in a Moscow amusement center: three corpses found frozen in the snow, faces and fingers missing. Chief homicide investigator Arkady Renko is brilliant, sensitive, honest, and cynical about everything except his profession. To identify the victims and uncover the truth, he must battle the KGB, FBI, and the New York City police as he pursues a rich, ruthless, and well-connected American fur dealer. Meanwhile, Renko is falling in love with a beautiful, headstrong dissident for whom he may risk everything. “Brilliant...there are enough enigmas within enigmas within enigmas to reel the mind” (The New Yorker) in this wonderfully textured, vivid look behind the Iron Curtain. “Once one gets going, one doesn’t want to stop...The action is gritty, the plot complicated, and the overriding quality is intelligence” (The Washington Post). The first in a classic series, Gorky Park “reminds you just how satisfying a smoothly turned thriller can be” (The New York Times Book Review).

The Perpetual Astonishment of Jonathon Fairfax Sep 25 2019 Jonathon Fairfax was astonished. This was nothing new. His first memory of being astonished dated from the age of three, when his mother had quite casually suggested that, instead of wearing a pair of comfy watertight pants, he should spend the rest of his life holding in his wee and poo. Now, seventeen years later, he was astonished because a huge, terrifying man in a smart dark-red balaclava was asking him directions.' The man in the balaclava is on his way to a murder, sparking a series of events that send Jonathon's astonishment to previously unimagined heights. Before long, he is being astonished by secret government documents (lightly buttered), a strikingly cool private detective/loss-adjustor, a low-speed car chase, and a woundingly beautiful girl called Rachel.

Tell Me Lies Mar 24 2022 Now an original series on Hulu! YOU NEVER FORGET YOUR WORST. “A twisted modern love story” (Parade), *Tell Me Lies* is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn’t let go of. The one you’ll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she’s never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she’s quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy’s heart. Lucy knows there’s something about Stephen that isn’t to be trusted. Stephen knows Lucy can’t tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy’s and Stephen’s voices, *Tell Me Lies* follows their connection through college and post-college life in New York City. “Readers will be enraptured” (Booklist) by the “unforgettable beauties in this very sexy story” (Kirkus Review). With the psychological insight and biting wit of *Luckiest Girl Alive*, and the yearning ambitions and desires of *Sweetbitter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

The Woman in the Window Nov 07 2020 #1 New York Times Bestseller – Soon to be a Major Motion Picture starring Amy Adams, Julianne Moore, and Gary Oldman – Available on Netflix on May 14, 2021 “Astounding. Thrilling. Amazing.” —Gillian Flynn “Unputdownable.” —Stephen King “A dark, twisty confection.” —Ruth Ware “Absolutely gripping.” —Louise Penny For readers of Gillian Flynn and Tana French comes one of the decade’s most anticipated debuts, to be published in thirty-six languages around the world and already in development as a major film from Fox: a twisty, powerful Hitchcockian thriller about an agoraphobic woman who believes she witnessed a crime in a neighboring house. It isn’t paranoia if it’s really happening . . . Anna Fox lives alone—a recluse in her New York City home, unable to venture outside. She spends her day drinking wine (maybe too much), watching old movies, recalling happier times . . . and spying on her neighbors. Then the Russells move into the house across the way: a father, a mother, their teenage son. The perfect family. But when Anna, gazing out her window one night, sees something she shouldn’t, her world begins to crumble—and its shocking secrets are laid bare. What is real? What is imagined? Who is in danger? Who is in control? In this diabolically gripping thriller, no one—and nothing—is what it seems. Twisty and powerful, ingenious and moving, *The Woman in the Window* is a smart, sophisticated novel of psychological suspense that recalls the best of Hitchcock.

Horse Girls Feb 08 2021 “A wild, rollicking ride into the heart of horse country—these essays get at what it means to love horses, in all that love's complexity.” —Anton DiSclafani, author of *The Yonahlossee Riding Camp for Girls* A compelling and provocative essay collection that smashes stereotypes and redefines the meaning of the term “horse girl,” broadening it for women of all cultural backgrounds. As a child, horses consumed Halimah Marcus’ imagination. When she wasn’t around horses she was pretending to be one, cantering on two legs, hands poised to hold invisible reins. To her classmates, girls like Halimah were known as “horse girls,” weird and overzealous, absent from the social worlds of their peers. Decades later, when memes about “horse girl energy,” began appearing across social media—Halimah reluctantly recognized herself. The jokes imagine girls as blinkered as carriage ponies, oblivious to the mockery behind their backs. The stereotypical horse girl is also white, thin, rich, and straight, a daughter of privilege. Yet so many riders don’t fit this narrow, damaging ideal, and relate to horses in profound ways that include ambivalence and regret, as well as unbridled passion and devotion. Featuring some of the most striking voices in contemporary literature—including Carmen Maria Machado, Pulitzer-prize winner Jane Smiley, T Kira Madden, Maggie Shipstead, and Courtney Maum—*Horse Girls* reframes the iconic bond between girls and horses with the complexity and nuance it deserves. And it showcases powerful emerging voices like Braudie Blais-Billie, on the connection between her Seminole and Quebécois heritage; Sarah Enelow-Snyder, on growing up as a Black barrel racer in central Texas; and Nur Nasreen Ibrahim, on the colonialist influence on horse culture in Pakistan. By turns thought-provoking and personal, *Horse Girls* reclaims its titular stereotype to ask bold questions about autonomy and desire, privilege and ambition, identity and freedom, and the competing forces of domestication and wildness.

Street Girl May 14 2021 This is a true story about a young black girl in South West London, raised by a single mother and an older sibling whom unfortunately became a product of her environment. This is a heartfelt explanation of how she became a young offender, resulting in that 'street life' lifestyle catching up with her. This book crosses many social issues from drug abuse, sexual assault, single parenting, gang culture and life as it is in the "hood". Tim Pritchard Author of Street Boy, took an interest in Nequela Whittaker and together they decided to write about how her life changed due to gang culture. She shares the truth and harsh realities about the streets first hand and readers will be made fully aware of the repercussions and consequences that come along with "street life". Although this book aims to highlight the truth about the lifestyle and the negativity it brings, it is no way used to glamorise or encourage gang related activity. Nequela is now Committed Empowered and Original (CEO), and manages her own mentoring and advocacy service company which offers direct one to one support for young people at risk.

Vladimir Oct 19 2021 “Delightful...cathartic, devious, and terrifically entertaining.” —The New York Times “Timely, whip-smart, and darkly funny.” —People (Book of the Week) “A deliciously dark fable of sex and power.” —Esquire A provocative, razor-sharp, and timely debut novel about a beloved English professor facing a slew of accusations against her professor husband by former students—a situation that becomes more complicated when she herself develops an obsession of her own... “When I was a child, I loved old men, and I could tell that they also loved me.” And so we are introduced to our deliciously incisive narrator: a popular English professor whose charismatic husband at the same small liberal arts college is under investigation for his inappropriate relationships with his former students. The couple have long had a mutual understanding when it comes to their extra-marital pursuits, but with these new allegations, life has become far less comfortable for them both. And when our narrator becomes increasingly infatuated with Vladimir, a celebrated, married young novelist who’s just arrived on campus, their tinder box world comes dangerously close to exploding. With this bold, edgy, and uncommonly assured debut, author Julia May Jonas takes us into charged territory, where the boundaries of morality bump up against the impulses of the human heart. Propulsive, darkly funny, and wildly entertaining, Vladimir perfectly captures the personal and political minefield of our current moment, exposing the nuances and the grey area between power and desire.

The Girl In Room 105 Aug 24 2019 Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did ... and my life changed forever. This is not a love story. It is an un-love story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

My Favorite Souvenir Jul 24 2019 From *New York Times* New Bestselling authors Penelope Ward and Vi Keeland comes a new, sexy standalone novel. My planned trip for two unexpectedly turned into a trip for one. Rather than let my breakup get me down, I packed my bags and decided a week at a luxury resort was just what I needed. But one calamity after the next, and suddenly I was stuck without a hotel room, along with a few hundred other people. It looked like my fancy vacation was about to turn into me sleeping on the hotel lobby floor. Until I overheard a gorgeous man pretending to be someone he wasn't in order to steal a reservation from a guest who hadn't shown up yet. When I realized there were two rooms, instead of calling him out, I pretended to be his sister. That's how the story of "Milo and Maddie Hooker" began. We were the Hookers. My depressing trip quickly made a U-turn into an adventure. My fake brother spent the next few days showing me around his hometown. When it was time to leave, neither of us really wanted to go yet. So, instead of flying back to our respective homes, we ventured on a road trip. At every stop, we'd pick up souvenirs. But as hot as our chemistry was, we never crossed the line. Milo knew I'd just come out of a tough relationship and didn't want to mess with a vulnerable woman. So instead, at the end of our trip, we made a pact to meet again in three months. It was always my intention to meet him. But when I got back home, reality hit in a big way. And I worried I may have lost my handsome stranger forever. Was there a place for him in my future? Or had the memory of him just become my favorite souvenir?

What You Never Knew Apr 24 2022 Told in alternating points of view between the living and the dead, Jessica Hamilton's debut novel will be perfect for fans of *The Lovely Bones*. Idyllic Avril Island, owned by the Bennett family, where their hundred-year-old cottage sat nestled in acres of forest. Forty-year-old June Bennett believed that the island had been sold after the summer of her father's disappearance when she was only twelve years old. It's months after the shocking death of her older sister May in a fatal car accident, that June finds out that the cottage was never sold. Avril Island is still owned by the Bennett family and now it's hers. Still reeling from the grief of losing her sister, June travels back to Avril Island in search of answers. As she digs, she learns that the townspeople believe her father may in fact have been murdered rather than having abandoned his family in the dead of night, as she was led to believe by her mother. And that's when she begins to notice strange things happening on the island--missing family possessions showing up, doors locking on their own, unexplained noises in the night, shadowy figures disappearing into the woods. It takes June no time at all to realize that her childhood summers at Avril Island were not at all what they had seemed to be.
